UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN JOSE DIVISION

INTEGRATED GLOBAL CONCEPTS, INC.

Case No. C-12-03434-RMW

Plaintiff,

**SCHEDULING ORDER**

v.

j2 GLOBAL, INC. and ADVANCED  
MESSAGING TECHNOLOGIES, INC.

[Re: Docket No. 47]

Defendants.

The previously filed scheduling order, Dkt. No. 64, was filed in error. It should be disregarded. The correct scheduling order is as follows.

A further case management conference was held in this case on July 26, 2013. The court made the following orders:

1. The contract interpretation issue is bifurcated and will be tried before other issues. The court confirmed that such limited bifurcation is what it previously had intended and that it did not intend to bifurcate any issues other than the interpretation issue.

2. Integrated Global Concepts, Inc. (“IGC”) may move for the court to reconsider its bifurcation order set forth in 1 above and argue that the court should bifurcate all contract issues and not just the interpretation issue.

3. j2 Global, Inc. may move to strike IGC's jury demand.

4. The motions referenced in 2 and 3 above are set for hearing on September 27, 2013, at 9:00 a.m. Briefing shall be in accordance with the timing and other requirements of Civil Local Rules 7-1 through 7-6.

5. The court adopts the parties' agreed upon schedule leading up to the trial of the contractual interpretation issue, as modified, specifically:
