Re: Pi-Net International, Inc. v. Presidio Bank
USDC Case No.: CV12-04962 PSG
Our File No.: 8000-962

Dear Judge Grewal:

We are counsel for plaintiff and counter-defendant Pi-Net International, Inc., in the above-referenced action and respectfully request the ability to participate in the August 16, 2013, Motion to Stay Litigation Pending Inter Partes Review and Case Management Conference by telephone.

The Motion to Stay Litigation Pending Inter Partes Review is for the purpose of the court to decide if the action should be stayed pending review of the patents at issue. The purpose of the Case Management Conference is for reporting on the status of settlement discussions and to explore if other settlement proceedings would be appropriate. Our office has personally appeared at all other previous hearings in this action.

We practice in Los Angeles and have other obligations on August 16, 2013, and would appreciate the Court's approval of this request. We will be prepared to discuss all settlement and other case issues the morning of August 16, 2013.
