Case No.: 12-CV-05184-LHK
ORDER DENYING REQUEST TO
VACATE PREVIOUSLY SCHEDULED
DEADLINES

On April 2, 2013, the parties filed a notice stating that, after participating in a one-day private mediation, the parties had settled all issues and claims in this putative class action. The parties state that they are in the process of drafting a formal settlement agreement and supporting documents. The parties expect to reach final agreement on such documentation within the next four weeks. The parties state that they will thereafter make a motion for preliminary settlement approval to the Court. The parties request that the Court vacate all previously scheduled deadlines pending the approval process of the settlement agreement.

The parties' request that the Court vacate all previously scheduled deadlines is DENIED. The Court will not vacate any deadlines until the parties have filed their motion for preliminary approval of the class action settlement.
