1 TO THE COURT AND ALL PARTIES WHO HAVE MADE AN APPEARANCE IN
2 THIS ACTION

3 Pursuant to Local Rule 16-2(d), as well as the Federal Rules of Civil Procedure, Plaintiff
4 hereby requests that the ADR deadlines in anticipation of the January 30, 2013 Case
5 Management Conference be modified as the parties have reached a global resolution.

6 As described in the below Declaration of Tomas E. Margain, good cause exists. Counsel
7 for Defendant NOAH CONCRETE CORPORATION and Plaintiff have reached a global
8 resolution. This settlement was reached on Monday January 7, 2013 and needs to be reduced to
9 a writing and the case dismissed by stipulation as an appearance had been made. However,
10 January 9, 2013 is the deadline for certain ADR obligations which Plaintiff would like to push to
11 January 23, 2013. In the alternative, the Court can continue the CMC and related deadlines two
12 weeks. However, as it is anticipated that the settlement will be consummated by January 23,
13 2013, this is not being requested.

17 **DECLARATION OF TOMAS E. MARGAIN**

18 I, TOMAS E. MARGAIN, declare as follows:

19 1. I am an attorney duly authorized to practice before this Court and Plaintiffs'
20 attorney of record in this action. I base this declaration on my personal knowledge unless
21 otherwise indicated.

22 2. Defendant NOAH CONCRETE CORPORATION is being represented by Dawna
23 J. Chillufo. On Monday January 7, 2013, I informed Ms. Chillufo that my client had accepted
24 the monetary offer made and a payment plan. We have informed the other parties and counsel
25 and I am in the process of sending a written settlement agreement that would dispose of all
claims.

3. January 9, 2013 is the deadline date to meet and confer on ADR. January 23, 2013 is the deadline for Rule 26 obligations and to submit a Joint Case Management Statement.

4. I believe the parties will be able to draft and execute a settlement agreement by the 23rd. However, I am submitting this motion to inform the Court of the settlement and to push back the ADR deadlines.

I declare under penalties of perjury under the laws of the United States that the foregoing is true and accurate. Executed on January 8, 2013 in San Jose, Santa Clara California.

ARGUMENT

The Court has the authority to continue hearings and a party may seek a continuance under Local Rule 16. Here, Plaintiff has reached a global settlement which needs to be reduced to a writing. As such, a modification of the Initial CMC Order is sought to accommodate reducing the settlement to a writing, having it executed, and dismissing the action.
