The Court adopts plaintiffs’ proposal to streamline the structure of plaintiffs’ interim lead counsel and orders as follows:

1. The position of interim liaison counsel is eliminated. Plaintiffs’ interim executive committee may make all filings through Kaplan Fox & Kilsheimer, LLP which has an office in this District. Former interim liaison counsel Kiesel Law LLP is appointed to the interim steering committee.

2. Jay Barnes of Barnes & Associates is appointed to the interim steering committee, replacing Mark S. Mandell, who has agreed to withdraw from the interim steering committee.

IT IS SO ORDERED.

DATED: April 27, 2016

THE HONORABLE EDWARD J. DAVILA
UNITED STATES DISTRICT JUDGE
