Case No. 5:13-cv-00459-PSG
ORDER RE: DISCOVERY DISPUTES
(Re: Docket No. 74, 81, and 83)

Before the court is Defendants’ motion for leave to file a motion for reconsideration of the court’s discovery order¹ and ex parte motion for shortened time for motion to reconsider and/or modify the document production deadline. The court GRANTS-IN-PART the motion to shorten time; Plaintiffs are invited to file an opposition by Tuesday, February 11, 2014, at 5 p.m. Because the court finds the motions suitable for disposition on the papers pursuant to Civil L.R. 7-1(b), no hearing will be held.²

¹ See Docket No. 74.

² See Civil L.R. 7-1(b) (“In the Judge’s discretion, or upon request by counsel and with the Judge’s approval, a motion may be determined without oral argument or by telephone conference call.”).
