UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

GSI TECHNOLOGY, INC.,)	Case No. 5:13-cv-01081-PSG
)	
Plaintiff,)	ORDER DENYING STIPULATION
v.)	TO CONTINUE HEARING ON
)	MOTION TO COMPEL
UNITED MEMORIES, INC., and)	
INTEGRATED SILICON SOLUTION, INC.,)	(Re: Docket No. 269)
)	
Defendants.)	

This afternoon, the parties filed a stipulation seeking to continue the hearing on Defendant Integrated Silicon Solution, Inc.'s motion to compel compliance with a third-party subpoena. This motion was presented in a fully-briefed form, rather than the letter brief format of the other pending disputes. The parties seek to continue the hearing on that single dispute to a later date because briefing is not yet complete and because lead counsel will be out of town.¹

To do so, however, would not be an efficient use of anyone's time. The court has reserved Monday afternoon to address and resolve the myriad of discovery disputes that have erupted in this case; leaving a single motion outstanding would render that exercise futile.

¹ See Docket No. 269 at 2.

The motion to compel filed at Docket No. 255 will be addressed along with the other disputes on Monday at 2:00 p.m. If counsel is out of town, they are invited to participate telephonically. Alternatively, this discrete discovery issue would be an excellent opportunity for a junior attorney to gain experience arguing in federal court; the court would welcome and encourage such participation. If Mr. Lasserre wishes to file an opposition to the motion to compel, he is welcome to do so by 8:00 a.m. on Monday morning.

IT IS SO ORDERED.
