UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

GSI TECHNOLOGY, INC.,)	Case No. 5:13-cv-01081-PSG
Plaintiff,)	ORDER DENYING UMI'S MOTION FOR RECONSIDERATION
v.)	
UNITED MEMORIES, INC., et al.,)	(Re: Docket No. 609)
Defendants.)	

UMI requests that the court reconsider its June 11, 2015 order granting GSI's request for the Hardee document.¹ GSI responds that the document is not privileged and UMI's motion for leave to file a motion for reconsideration is improper and dilatory, especially because the document has already been produced and reviewed with no prior objection from UMI. After considering the arguments, the court DENIES UMI's motion for reconsideration.

SO ORDERED.

Dated: June 18, 2015

 PAUL S. GREWAL
 United States Magistrate Judge
