Takeda filed an administrative motion to seal confidential material in support of the parties' joint motion for an extension. ECF No. 111. The Court denied Takeda's sealing motion without prejudice because TWi, the only party that maintained a claim of confidentiality, did not file a timely supporting declaration. ECF No. 115. In response to the Court's order, TWi has filed a timely supporting declaration. ECF No. 116. After considering TWi's declaration, Takeda's motion to seal the parties' joint motion for an extension (ECF No. 111-4) is GRANTED as to all redacted portions shown in ECF No. 111-3 except for paragraph 6, for which no claim of confidentiality has been made. Takeda must file a revised redacted version pursuant to Civil L. R. 79-5(f)(3).

Dear Stacy,

Our firm represents TWi Pharmaceutical in the above matter. In reference to Dkt. No. 115, filed 10/18/14, we will be filing our Declaration in support of our motion today.

I had called Diane Miyashiro this morning, who referred me to you. My question is, does Judge Koh want us to also file our redacted document as an exhibit to our Declaration?

If someone could let me know, I would appreciate it.
