1 paper on it that I can use for writing illustrative points on during trial with  
2 a large marker pen, and then flipping that page for a clean sheet.

3  
4 Defendant will also use:

- 5 • Two laptops;
- 6 • A Hitachi projector (3200 lumens);
- 7 • A backup Epson projector (2600 lumens);
- 8 • A document camera (QOMO);
- 9 • Cords connections for all such items, which will necessitate a three prong  
10 electrical outlet for a combined power bar;
- 11 • A portable 80” video screen and a smaller tabletop screen version (50”)  
12 as necessary; and,
- 13 • Setup tables for various electronics—these are tripods and can fit nearly  
14 anywhere.

17 Defendant understands that the courtroom does not include an audio projection  
18 plug and play, and will thus likely also be bringing an audio box for sound.

19 **ORDER**

20  
21 Having considered the request submitted, the Court finds good cause and GRANTS  
22 Defendant/Counterclaimant Barrett’s request to provide, and utilize in trial, the equipment  
23 listed above.

24 **IT IS SO ORDERED.**
