Key Facts

About Facebook

Founded in 2004, Facebook's mission is to give people the power to share and make the world more open and connected. People use Facebook to stay connected with friends and family, to discover what's going on in the world, and to share and express what matters to them.

Headquarters

1601 Willow Road, Menlo Park, California, 94025

Employees

6,337 employees as of December 2013

Statistics

945 million monthly active users who used Facebook mobile products as of December 31, 2013.
757 million daily active users on average in December 2013.
Approximately 81% of our daily active users are outside the U.S. and Canada.
1.23 billion monthly active users as of December 31, 2013.
