I, Matthew W. Poisson, declare:

1. I am over eighteen years of age and in all respects fully competent to make this Declaration. I have personal knowledge of the facts, as stated herein, and all are true and correct.

2. I was formerly a Software Development Manager and Software Engineer for Nortel Networks.

3. I am a resident of Rochester, New York and do not travel regularly to California.

4. I am a named inventor of U.S. Patent No. 6,765,591. I understand this patent is at issue in litigation in the Eastern District of Texas.

5. I understand at least six of the parties accused of infringing the 5,838,551, 6,037,937, 6,128,298, 6,333,973, 6,463,131, 6,765,591, and 6,937,572 patents seek to transfer the case against them to the Northern District of California.

6. It would be more convenient for me to attend trial in the Eastern District of Texas than to attend trial in the Northern District of California.

7. I am willing to travel to Marshall to attend trial.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on 4/7/2014
