15 8. Good cause also exists to seal certain portions of Exhibit MM to the Himel
 16 Declaration, which are Facebook’s Second Supplemental Responses and Objections to Plaintiffs’
 17 Narrowed Second Set of Interrogatories (Exhibit 42 to the Motion to Seal). Specifically, as identified
 18 below, the following portion of Exhibit MM concerns the internal processes and functionality of
 19 Facebook’s messages technology that is protectable as a trade secret or otherwise entitled to
 20 protection under the law: lines 10:21-18:16. The public does not at this time have a meaningful
 21 interest in obtaining such information, and public disclosure of this information would cause
 22 particularized harm to Facebook by allowing its competitors to access sensitive information, which
 23 they could use to gain an unfair advantage against Facebook. Such information could also be used by
 24 individuals or companies that might seek to compromise the security of Facebook’s messages
 25 technology, causing harm to Facebook and the people who use Facebook’s services.

26 9. Additionally, Magistrate Judge James previously held that there was good cause to
 27 seal certain portions of Exhibit NN to the Himel Declaration, which are Facebook’s Supplemental
 28

1 Responses and Objections to Plaintiffs’ First Set of Interrogatories (Exhibit 44 to the Motion to Seal),
2 as these portions contain “potential trade secrets or otherwise protectable information relating to
3 Facebook’s internal processes and tools that risk particularized harm to Facebook if revealed, and
4 which the public does not at this time have a particular interest in obtaining.” (Dkt. No. 131.)
5 Accordingly, in conformity with Magistrate Judge James’ prior order, good cause exists to seal the
6 following portions of Exhibit NN to the Himel Declaration: lines 3:23-24; 5:24 (the text following
7 “defenses in this action”)-27; 8:9-25; 9:18-11:24; 12:26-16:13; 17:9-20:24; 21:24-25:11; 26:7-29:22;

9 23.

10 10. Good cause exists also exists to seal portions of Exhibit OO to the Himel Declaration,
11 which is the June 1, 2015 Declaration of Alex Himel on Behalf of Defendant Facebook, Inc. (Exhibit
12 46 to the Motion to Seal). Magistrate Judge James previously found that information from this
13 Declaration contains “trade secrets or otherwise protectable information relating to Facebook”’s
14 internal processes and tools that risk particularized harm to Facebook if revealed, and which the
15 public does not at this time have a meaningful interest in obtaining” and should be redacted. (Dkt.
16 No. 131.) For those reasons, good cause exists to seal the following portions of Exhibit C to the
17 Himel Declaration: lines 1:19-24; 2:6; 2:25-26; 3:17-27; 4:1; 4:6-13; 4:16-27; 5:1-5:4; 5:9-14; 5:23-
18 27; 6:1-26; 7:1-2; 7:4-5; 7:8-27; and 8:1-19.

19 **Fechete Declaration**

20 11. Good cause exists to seal portions of the Declaration of Dan Fechete (Exhibit 48 to the
21 Motion to Seal). Specifically, as identified below, the following portions contain non-public,
22 confidential, and proprietary Facebook business information that Facebook hereby designates as
23 HIGHLY CONFIDENTIAL – ATTORNEYS’ EYES ONLY pursuant to the Amended Stipulated
24 Protective Order. The public does not at this time have a meaningful interest in obtaining such
25 information, and public disclosure of this information would cause particularized harm to Facebook
26 by allowing its competitors to access sensitive information, which they could use to gain an unfair
27 advantage against Facebook. Such information could also be used by individuals or companies that
28

1 might seek to compromise the security of Facebook’s technology, causing harm to Facebook and the

6 12. Good cause also exists to seal Exhibits PP, QQ, RR, SS, TT, UU, VV, WW, XX, YY,
 7 ZZ, and AAA to the Fechete Declaration in their entirety for the reasons specified below.
 8 Specifically, as identified below, the Exhibits contain non-public, confidential, and proprietary
