PROCEEDINGS

Plaintiffs' Motion for Class Certification-Held. The Court takes the matter under submission.

The Court informs the parties that all of the administrative motions to seal (docket nos. 137, 147, 166, 169 and 171) are denied without prejudice to filing a limited, narrowly tailored request for sealing as stated on the record. The briefs shall be filed unredacted in the public record by Monday 3/21/16. The Court will allow redactions of source code, names, addresses and phone numbers without a Court order. A new motion must be filed for any request to seal trade secrets.
