Case No. C 13-05996 PJH

**PLAINTIFF MATTHEW CAMPBELL'S  
CORRECTED OBJECTIONS AND  
RESPONSES TO DEFENDANT  
FACEBOOK, INC.'S FIRST SET OF  
INTERROGATORIES**

**CONFIDENTIAL**

1 PROPOUNDING PARTY: FACEBOOK, INC.  
2 RESPONDING PARTY: MATTHEW CAMPBELL, on behalf of himself and  
3 all others similarly situated  
4 SET NO.: ONE (1)

5 Pursuant to Rules 26 and 33 of the Federal Rules of Civil Procedure, Plaintiff Matthew  
6 Campbell hereby serves his corrected objections and responses to Defendant Facebook Inc.'s  
7 First Set of Interrogatories ("Interrogatories"). These responses are designated "Confidential"  
8 under the terms of the draft of the Stipulated Protective Order sent by Plaintiffs to Defendant on  
9 March 11, 2015.

**GENERAL OBJECTIONS**

12 1. Plaintiff objects to each of Defendant's Interrogatories to the extent that they,  
13 individually or cumulatively, purport to impose on Plaintiff duties and obligations which exceed,  
14 or are different, than those imposed on him by the Federal Rules of Civil Procedure or the Local  
15 Rules of the Court.

16 2. Plaintiff generally objects to each Interrogatory to the extent it purports to seek  
17 information covered by the attorney-client privilege, the work product privilege, or any other  
18 applicable privilege or immunity. Plaintiff further objects to each Interrogatory to the extent that  
19 it seeks information prepared in anticipation of litigation or for trial of this or any matter.  
20 Plaintiff will provide any information that he believes is non-privileged and is otherwise properly  
21 discoverable. By providing such information, Plaintiff does not waive any privileges. To the  
22 extent that an Interrogatory may be construed as seeking such privileged or protected information  
23 or documents, Plaintiff hereby claims such privilege and invokes such protection. The fact that  
24 Plaintiff does not specifically object to an individual Interrogatory on the ground that it seeks  
25 such privileged or protected information shall not be deemed a waiver of the protection afforded  
26 by the attorney-client privilege, the attorney work product doctrine, or any other applicable  
27 privilege or protection.  
28

**CONFIDENTIAL**

1           3.       Plaintiff and Plaintiff's counsel have not completed their investigation of the facts  
2 related to this case and have not completed their preparation for trial. Thus, the following  
3 responses are based on discovery and investigations that are ongoing and not yet complete.  
4 Plaintiff reserves the right to update, amend or supplement these responses. These responses are  
5 made without prejudice to Plaintiff's right to utilize subsequently discovered evidence at trial or  
6 in connection with pretrial proceedings, or to amend these responses in the event that any  
7 information is subsequently acquired or learned by Plaintiff or inadvertently omitted in these  
8 responses.

9           4.       Plaintiff generally objects to each Interrogatory to the extent that it is vague and/or  
10 ambiguous. Where possible, however, Plaintiff will make reasonable assumptions as to  
11 Defendant's intended meaning and will respond accordingly, while preserving his objections as to  
12 vagueness, ambiguity, and uncertainty.

13           5.       Plaintiff objects to each Interrogatory or Instruction which seeks information that  
14 is neither relevant nor material to the subject matter of this action, nor reasonably calculated to  
15 lead to the discovery of admissible evidence.

16           6.       Plaintiff objects to each Interrogatory which seeks identification of facts not in  
17 Plaintiff's possession, custody or control.

18           7.       Plaintiff objects to each Interrogatory to the extent it requires the production of  
19 information already produced to Defendant or within the possession, custody or control of third  
20 parties or public records, and therefore equally available to Defendant.

21           8.       Plaintiff asserts these objections without waiving or intending to waive any  
22 objections as to competency, relevancy, materiality, or privilege.

23           9.       Plaintiff objects to each Interrogatory to the extent that it calls for a legal  
24 conclusion.

25           10.      Plaintiff states these objections without waiving or intending to waive, but on the  
26 contrary preserving and intending to preserve:

27               a.       all objections to genuineness, foundation, competency, relevancy,  
28 materiality, privilege and admissibility as evidence for any purpose of materials produced in

**CONFIDENTIAL**

1 response to the Interrogatories, or subject matter thereof, in any subsequent proceeding in, or the  
2 trial of, this or any action;

3 b. the right to object on any permissible ground to the use of any materials, or  
4 the subject matter thereof, in any subsequent proceeding in, or the trial of, this or any other  
5 action; and

6 c. the right to object on any basis permitted by law to any other discovery  
7 request or proceeding involving or relating to the subject matter of these objections.

**RESPONSES TO DEFENDANT'S FIRST SET OF INTERROGATORIES**

**INTERROGATORY NO. 1:**

10 IDENTIFY all FACEBOOK accounts YOU have ever established or used, including, for  
11 each account: (a) YOUR username; (b) the name YOU provided to FACEBOOK in setting up  
12 the account; (c) the e-mail address that YOU associated with the account; (d) the mobile  
13 telephone number(s) that YOU associated with the account; (e) the date YOUR account was  
14 established; and (f) the date YOUR account was disabled, suspended, or deleted (if applicable).

**RESPONSE TO INTERROGATORY NO. 1:**

16 Plaintiff incorporates and references herein all of the General Objections. Plaintiff objects  
17 to this Interrogatory as overly broad and unduly burdensome. Plaintiff further objects to the  
18 extent this Interrogatory seeks information protected by Plaintiff's right to privacy. Subject to  
19 and without waiver of the foregoing objections, Plaintiff states as follows:

20 Plaintiff's Facebook username is matthew.d.campbell. Plaintiff provided Facebook with  
21 the name Matthew D. Campbell. Plaintiff associated the email addresses  
22 matt@bluehogreport.com, matt@pinnaclelawfirm.com, and mattycamp@gmail.com with the  
23 account. Plaintiff associated the phone number 501-396-9246 with the account. Plaintiff's  
24 account was established on January 7, 2009. It has not been disabled.

**INTERROGATORY NO. 2:**

26 IDENTIFY all facts regarding all messages YOU have sent or received via the  
27 FACEBOOK MESSAGES PRODUCT, including, for each message: (a) the date the message  
28 was sent; (b) the author of the message; (c) the recipient(s) of the message; (d) the physical

**CONFIDENTIAL**

1 location (city and state) where the author was located when the message was sent (or, if unknown,  
2 the author's state of residence); (e) the physical location (city and state) where the recipient(s)  
3 was located when the message was received (or, if unknown, the recipient's state of residence);  
4 (f) if a URL was included in the message, the name of the URL(s); (g) if a URL was included in  
5 the message, whether a "preview" of the website associated with the URL was contained in the  
6 message (if known); and (h) if a URL was included in the message, whether the website  
7 associated with the URL contained a FACEBOOK social plugin at the time the message was sent  
8 (if known).

9 **RESPONSE TO INTERROGATORY NO. 2:**

10 Plaintiff incorporates and references herein all of the General Objections. Plaintiff objects  
11 to this Interrogatory as overly broad and unduly burdensome. Plaintiff objects to this  
12 Interrogatory insofar as it seeks facts regarding messages that do not contain URLs, and insofar  
13 as it seeks the physical location of the sender or recipient of Facebook messages, and therefore  
14 does not seek information "that is relevant to the claims or defenses of any party" or "reasonably  
15 calculated to lead to the discovery of admissible evidence." Fed. R. Civ. P. 26(b)(1). Plaintiff  
16 further objects to the extent this Interrogatory seeks information protected by Plaintiff's and/or  
17 third parties' right to privacy. Plaintiff objects that this Interrogatory seeks information already in  
18 Defendant's possession and control. Insofar as it seeks information to be obtained through  
19 discovery from Defendant, for example because Facebook possesses information concerning  
20 whether it was Facebook's practice to provide a "preview" for URL's sent at the times of  
21 Plaintiff's private messages, or whether the websites associated with certain URLs had installed  
22 Facebook's social plug-ins, Plaintiff objects to this Interrogatory as premature. Plaintiff further  
23 objects to this Interrogatory as compound. Subject to and without waiver of the foregoing  
24 objections, Plaintiff states as follows: Plaintiff's first production of documents responsive to  
25 Request for Production No. 1 in this action identifies private messages containing one or more  
26 URLs that Plaintiff has sent or received via the FACEBOOK MESSAGES PRODUCT. The  
27 table attached as Exhibit 1 identifies the sender(s), recipient(s), date, time, and URL associated  
28 with each such private message.

**CONFIDENTIAL**

1 Plaintiff does not recall whether any of the URLs included in private messages that  
2 Plaintiff has sent or received via the FACEBOOK MESSAGES PRODUCT contained a  
3 “preview” at the time it was sent or received. Plaintiff is not aware of whether the websites  
4 associated with such URLs contained a Facebook plug-in at the time these messages were sent or  
5 received.

6 **INTERROGATORY NO. 3:**

7 IDENTIFY all PERSONS YOU have sent messages to or received messages from via the  
8 FACEBOOK MESSAGES PRODUCT, including each PERSON’S name, address, and  
9 FACEBOOK account username, or if the PERSON was not a FACEBOOK user, the PERSON’S  
10 mobile telephone number and/or email address from which a message was received or to which a  
11 message was sent.

12 **RESPONSE TO INTERROGATORY NO. 3:**

13 Plaintiff incorporates and references herein all of the General Objections. Plaintiff objects  
14 to this Interrogatory as overly broad and unduly burdensome. Plaintiff objects to this  
15 Interrogatory insofar as it seeks facts regarding messages that do not contain URLs and  
16 therefore does not seek information “that is relevant to the claims or defenses of any party” or  
17 “reasonably calculated to lead to the discovery of admissible evidence.” Fed. R. Civ. P. 26(b)(1).  
18 Plaintiff further objects to the extent this Interrogatory seeks information protected by Plaintiff’s  
19 or third parties’ right to privacy. Subject to and without waiver of the foregoing objections,  
20 Plaintiff states as follows: Plaintiff’s first production of documents responsive to Request for  
21 Production No. 1 in this action identifies private messages containing URLs that Plaintiff has sent  
22 or received via the FACEBOOK MESSAGES PRODUCT. Plaintiff incorporates by reference  
23 the table provided in response to Interrogatory No. 2, which identifies the sender(s), recipient(s),  
24 date, time, and URL associated with each such message.

25 **INTERROGATORY NO. 4:**

26 IDENTIFY all facts regarding all EMAIL SERVICES and SOCIAL NETWORKING  
27 WEBSITES, including but not limited to applications offered within those SOCIAL  
28

**CONFIDENTIAL**

1 NETWORKING WEBSITES, that YOU have used, including, for each, YOUR e-mail address  
2 and/or username and the duration (time period) of YOUR use.

3 **RESPONSE TO INTERROGATORY NO. 4:**

4 Plaintiff incorporates and references herein all of the General Objections. Plaintiff objects  
5 to this Interrogatory as overly broad and unduly burdensome. Plaintiff objects to this  
6 Interrogatory in that does not seek information “that is relevant to the claims or defenses of any  
7 party” or “reasonably calculated to lead to the discovery of admissible evidence.” Fed. R. Civ. P.  
8 26(b)(1). Plaintiff further objects to the extent this Interrogatory seeks information protected by  
9 Plaintiff’s or third parties’ right to privacy. Subject to and without waiver of the foregoing  
10 objections, Plaintiff states as follows: Plaintiff recalls using the following email services:

11 Twitter, usernames [REDACTED] used  
12 from approximately 2010 to present.

13 [REDACTED] username [REDACTED] used from approximately 2004 to present.

14 [REDACTED] username [REDACTED] used from approximately 2013 to  
15 present.

16 [REDACTED] username [REDACTED] used from approximately 2003 to  
17 present.

18 [REDACTED] username [REDACTED] used from, used from approximately  
19 2010 to present.

20 [REDACTED] used from approximately 2012 to present.

21 Facebook.com as stated in response to Interrogatory No. 1.

22 [REDACTED] upon reasonable investigation, Plaintiff is unable to determine the details  
23 associated with his [REDACTED] account. Plaintiff believes that he had an account briefly in 2004.

24 [REDACTED] upon reasonable investigation, Plaintiff is unable to determine the details  
25 associated with his [REDACTED] account. Plaintiff believes that he had an account from  
26 approximately 2006-2007.

27  
28

**CONFIDENTIAL**

**INTERROGATORY NO. 5:**

IDENTIFY all facts regarding how and when YOU first became aware of FACEBOOK's alleged conduct referenced in YOUR COMPLAINT.

**RESPONSE TO INTERROGATORY NO. 5:**

Plaintiff incorporates and references herein all of the General Objections. Plaintiff objects to this Interrogatory as overly broad and unduly burdensome. Plaintiff further objects to the extent this Interrogatory purports to seek information covered by the attorney-client privilege or the work product privilege. Subject to and without waiver of the foregoing objections, Plaintiff states as follows: Plaintiff first became aware that Facebook scans private messages containing URLs in or around October 2013 in connection with counsel's investigation of this case.

**INTERROGATORY NO. 6:**

IDENTIFY all facts that support YOUR claim that YOU, other Plaintiffs in this ACTION, and/or putative class members suffered harm and/or damage as a result of YOUR use of the FACEBOOK MESSAGES PRODUCT, including but not limited to IDENTIFYING all facts describing how YOU, Plaintiffs, and/or putative class members were harmed.

**RESPONSE TO INTERROGATORY NO. 6:**

Plaintiff incorporates and references herein all of the General Objections. Plaintiff objects to this Interrogatory as overly broad and unduly burdensome. Plaintiff objects to this Interrogatory on the grounds that it is untimely and premature because discovery in this action is ongoing with substantial discovery yet to occur. Plaintiff objects that Plaintiff has not completed his discovery or investigation of facts relating to this matter, and has not completed preparation for trial, and therefore, this interrogatory is premature, improper, burdensome, oppressive, harassing, and abusive of the discovery process to the extent that it calls for the disclosure of all facts that support the contentions and allegations in the Complaint. *See* Fed. R. Civ. P. 33(a)(2) ("the court may order that [contention interrogatories] need not be answered until designated discovery is complete, or until a pretrial conference or some other time."). Plaintiff further objects to this Interrogatory on the grounds that it is premature, as this Interrogatory may be the subject of expert testimony, to be disclosed at a later date in accordance with the time set

**CONFIDENTIAL**

1 by the Court for such disclosures. Subject to and without waiver of the foregoing objections,  
2 Plaintiff states as follows: Plaintiff refers to the entirety of the operative Complaint, including but  
3 not limiting the following allegations Paragraphs 38, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57  
4 and 58.

5 **INTERROGATORY NO. 7:**

6 Separately for YOURSELF and the putative class, IDENTIFY all facts regarding the  
7 damages and/or all other monetary relief that YOU and the putative class claim in this ACTION.

8 **RESPONSE TO INTERROGATORY NO. 7:**

9 Plaintiff incorporates and references herein all of the General Objections. Plaintiff objects  
10 to this Interrogatory as overly broad and unduly burdensome. Plaintiff objects to this  
11 Interrogatory on the grounds that it is untimely and premature because discovery in this action is  
12 ongoing with substantial discovery yet to occur. Plaintiff objects that Plaintiff has not completed  
13 his discovery or investigation of facts relating to this matter, and has not completed preparation  
14 for trial, and therefore, this Interrogatory is premature, improper, burdensome, oppressive,  
15 harassing, and abusive of the discovery process to the extent that it calls for the disclosure of all  
16 facts that support the contentions and allegations in the Complaint. Plaintiff further objects to this  
17 Interrogatory on the grounds that it is premature, as this Interrogatory may be the subject of  
18 expert testimony, to be disclosed at a later date in accordance with the time set by the Court for  
19 such disclosures. Subject to and without waiver of the foregoing objections, Plaintiff states as  
20 follows: *See* Plaintiff's responses to Interrogatories No. 2 and 6.

21 **INTERROGATORY NO. 8:**

22 IDENTIFY all facts regarding all putative class action proceedings in which YOU have  
23 been involved, including but not limited to YOUR role in the proceeding (plaintiff, defendant,  
24 witness), the claims and defenses raised in each proceeding, the court or other tribunal in which  
25 the proceeding occurred, the judicial officer or arbitrator(s) who presided over the proceeding, the  
26 case number, the parties to the proceeding, a summary of the testimony and/or DOCUMENTS  
27 YOU provided (if any), an identification of YOUR counsel for each proceeding, and the  
28 disposition and relief awarded.

**CONFIDENTIAL**

**RESPONSE TO INTERROGATORY NO. 8:**

Plaintiff incorporates and references herein all of the General Objections. Plaintiff further objects that the Interrogatory seeks irrelevant information. Subject to and without waiver of the foregoing objections, Plaintiff states as follows: Plaintiff has not been involved in any other putative class action proceedings.

**INTERROGATORY NO. 9:**

IDENTIFY all facts regarding the exact practices by FACEBOOK that YOU contend violate California and/or federal law.

**RESPONSE TO INTERROGATORY NO. 9:**

Plaintiff incorporates and references herein all of the General Objections. Plaintiff objects to this Interrogatory as overly broad and unduly burdensome. Plaintiff objects to this Interrogatory on the grounds that it is untimely and premature because discovery in this action is ongoing with substantial discovery yet to occur. Plaintiff objects that Plaintiff has not completed his discovery or investigation of facts relating to this matter, and has not completed preparation for trial, and therefore, this Interrogatory is premature, improper, burdensome, oppressive, harassing, and abusive of the discovery process to the extent that it calls for the disclosure of all facts that support the contentions and allegations in the Complaint. *See* Fed. R. Civ. P. 33(a)(2) (“the court may order that [contention interrogatories] need not be answered until designated discovery is complete, or until a pretrial conference or some other time.”). Plaintiff further objects to the extent this Interrogatory purports to seek information covered by the attorney-client privilege or the work product privilege.

Subject to and without waiver of the foregoing objections, Plaintiff states as follows: Plaintiff refers to the operative Complaint, which identifies the elements of causes of action under the federal Electronic Communications Privacy Act, and Section 631 of the California Penal Code, respectively, as well as identifies which facts Plaintiff contends establish violations of each element of each of these statutes.

**CONFIDENTIAL**

**INTERROGATORY NO. 10:**

Do YOU contend that the scanning of FACEBOOK messages for any purpose violates federal law and/or California law?

**RESPONSE TO INTERROGATORY NO. 10:**

Plaintiff incorporates and references herein all of the General Objections. Plaintiff objects to this Interrogatory on the grounds that it is untimely and premature because discovery in this action is ongoing with substantial discovery yet to occur. Plaintiff objects that Plaintiff has not completed his discovery or investigation of facts relating to this matter, and has not completed preparation for trial, and therefore, this Interrogatory is premature, improper, burdensome, oppressive, harassing, and abusive of the discovery process to the extent that it calls for the disclosure of all facts that support the contentions and allegations in the Complaint. *See* Fed. R. Civ. P. 33(a)(2) (“the court may order that [contention interrogatories] need not be answered until designated discovery is complete, or until a pretrial conference or some other time.”). Subject to and without waiver of the foregoing objections, Plaintiff states as follows: As alleged in the operative Complaint, Facebook’s conduct of scanning Plaintiff’s and the putative class members’ messages is a violation of federal and California law.

**INTERROGATORY NO. 11:**

If YOUR response to Interrogatory No. 10 is anything other than an unqualified “no,” IDENTIFY all facts supporting YOUR response.

**RESPONSE TO INTERROGATORY NO. 11:**

Plaintiff incorporates and references herein all of the General Objections. Plaintiff objects to this Interrogatory as overly broad and unduly burdensome. Plaintiff objects to this Interrogatory on the grounds that it is untimely and premature because discovery in this action is ongoing with substantial discovery yet to occur. Plaintiff objects that Plaintiff has not completed his discovery or investigation of facts relating to this matter, and has not completed preparation for trial, and therefore, this Interrogatory is premature, improper, burdensome, oppressive, harassing, and abusive of the discovery process to the extent that it calls for the disclosure of all facts that support the contentions and allegations in the Complaint. *See* Fed. R. Civ. P.

**CONFIDENTIAL**

1 33(a)(2) (“the court may order that [contention interrogatories] need not be answered until  
2 designated discovery is complete, or until a pretrial conference or some other time.”). Plaintiff  
3 further objects to the extent this Interrogatory purports to seek information covered by the  
4 attorney-client privilege or the work product privilege.

5 Subject to and without waiver of the foregoing objections, Plaintiff states as follows:  
6 Plaintiff refers to the operative Complaint, which identifies the elements of causes of action under  
7 the federal Electronic Communications Privacy Act, and Section 631 of the California Penal  
8 Code, respectively, as well as identifies which facts Plaintiff contends establish violations of each  
9 element of each of these statutes.

10 **INTERROGATORY NO. 12:**

11 Do YOU contend that the scanning of FACEBOOK messages for the purpose of  
12 increasing the “Like” count violates federal law and/or California law?

13 **RESPONSE TO INTERROGATORY NO. 12:**

14 Plaintiff incorporates and references herein all of the General Objections. Plaintiff objects  
15 to this Interrogatory on the grounds that the term “scanning” is undefined and is therefore vague;  
16 the term “increasing the ‘Like’ count” is similarly vague within the context of this  
17 Interrogatory. Plaintiff objects to this Interrogatory on the grounds that it is untimely and  
18 premature because discovery in this action is ongoing with substantial discovery yet to  
19 occur. Plaintiff objects on the grounds that Plaintiff has not completed his discovery or  
20 investigation of facts relating to this matter, and has not completed preparation for trial, and  
21 therefore, this Interrogatory is premature, improper, burdensome, oppressive, harassing, and  
22 abusive of the discovery process to the extent that it calls for the disclosure of all facts that  
23 support the contentions and allegations in the Complaint. *See* Fed. R. Civ. P. 33(a)(2) (“the court  
24 may order that [contention interrogatories] need not be answered until designated discovery is  
25 complete, or until a pretrial conference or some other time.”). Subject to and without waiver of  
26 the foregoing objections, Plaintiff states as follows: As alleged in the operative Complaint,  
27 Facebook’s conduct of scanning Plaintiff’s and the putative class members’ messages is a  
28 violation of federal and California law.

**CONFIDENTIAL**

**INTERROGATORY NO. 13:**

If YOUR response to Interrogatory No. 12 is anything other than an unqualified “no,” IDENTIFY all facts supporting YOUR response.

**RESPONSE TO INTERROGATORY NO. 13:**

Plaintiff incorporates and references herein all of the General Objections. Plaintiff objects to this Interrogatory as overly broad and unduly burdensome. Plaintiff objects to this Interrogatory on the grounds that it is untimely and premature because discovery in this action is ongoing with substantial discovery yet to occur. Plaintiff objects that Plaintiff has not completed his discovery or investigation of facts relating to this matter, and has not completed preparation for trial, and therefore, this Interrogatory is premature, improper, burdensome, oppressive, harassing, and abusive of the discovery process to the extent that it calls for the disclosure of all facts that support the contentions and allegations in the Complaint. See Fed. R. Civ. P. 33(a)(2)(“the court may order that [contention interrogatories] need not be answered until designated discovery is complete, or until a pretrial conference or some other time.”). Plaintiff further objects to the extent this Interrogatory purports to seek information covered by the attorney-client privilege or the work product privilege.

Subject to and without waiver of the foregoing objections, Plaintiff states as follows: Plaintiff refers to the operative Complaint, which identifies the elements of causes of action under the federal Electronic Communications Privacy Act, and Section 631 of the California Penal Code, respectively, as well as identifies which facts Plaintiff contends establish violations of each element of each of these statutes.

**CONFIDENTIAL**

**PROOF OF SERVICE**

1  
2 I am a citizen of the United States and employed in San Francisco County, California. I  
3 am over the age of eighteen years and not a party to the within-entitled action. My business  
4 address is 275 Battery Street, 29th Floor, San Francisco, California 94111-3339.

5 I am readily familiar with Lieff, Cabraser, Heimann & Bernstein, LLP's practice for  
6 collection and processing of documents for service via email, and that practice is that the  
7 documents are attached to an email and sent to the recipient's email account.

8 I am also readily familiar with this firm's practice for collection and processing of  
9 correspondence for mailing with the United States Postal Service. Following ordinary business  
10 practices, the envelope was sealed and placed for collection and mailing on this date, and would,  
11 in the ordinary course of business, be deposited with the United States Postal Service on this date.

12 On April 2, 2015, I caused to be served copies of the following documents:

- 13  
14 **1. PLAINTIFF MATTHEW CAMPBELL'S CORRECTED**  
**OBJECTIONS AND RESPONSES TO DEFENDANT**  
**FACEBOOK, INC.'S FIRST SET OF INTERROGATORIES;**  
15 **and this**
- 16 **2. PROOF OF SERVICE BY EMAIL AND U.S. MAIL**

17 on Defendant in this action through their counsel:

18 Christopher Chorba  
19 Gibson, Dunn & Crutcher LLP  
333 South Grand Avenue  
20 Los Angeles, CA 90071-3197  
Email: cchorba@gibsondunn.com

21 Joshua Aaron Jessen  
22 Gibson Dunn & Crutcher LLP  
3161 Michelson Drive, Suite 1200  
23 Irvine, CA 92612  
Email: jjessen@gibsondunn.com

24  
25 Executed on April 2, 2015, at San Francisco, California.

26 /s/ Melissa A. Gardner  
27 Melissa A. Gardner
