v.)	(Re: Docket No. 35)
)	
CRESTA TECHNOLOGY CORPORATION,)	
)	
Defendant.)	

Based on the parties' joint case management statement¹ and this week's case management conference,

IT IS ORDERED that the presumptive limits on discovery set forth in the Federal Rules of Civil Procedure shall apply to this case with the following exceptions:

- Each side may take a total of 8 fact depositions per side, limited to 7 hours per individual deposition. Multiple days of deposition of a single witness will count as multiple depositions.
- Each side may take up to 14 hours of 30(b)(6) deposition testimony, irrespective of the number of topics or witnesses designated.
- Each side may take up to 7 hours of deposition testimony of each expert identified by an adverse party for each report provided. If any party identifies a single expert to provide a report related to both infringement and validity, the limit shall be expanded to 14 hours.

¹ Docket No. 31.

- Each side may serve up to 50 requests for admission, except for requests for admission directed solely to authenticating documents.

IT IS FURTHER ORDERED that the deadline for joinder of any additional parties, or other amendments to the pleadings, is July 6, 2015.

IT IS FURTHER ORDERED that the parties have represented that they are in the process of determining the best course of alternate dispute resolution. If the parties have not come to an agreement within 30 days, the parties shall submit a letter brief to the court seeking a ruling.
