UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN JOSE DIVISION

ALTERA CORPORATION,  
Plaintiff,  
v.  
PAPST LICENSING GMBH & CO. KG,  
Defendant.

Case No. [14-cv-04794-BLF](#)

**ORDER DENYING PLAINTIFF'S  
STIPULATED MOTION TO RELATE  
CASES**

[Re: ECF 22]

Plaintiff Altera Corporation moves to relate the above-captioned case with another case, *Xilinx, Inc. v. Papst Licensing GmbH & Co. KG*, 14-cv-4963-RS. All parties to both actions stipulate that the cases are related. *See* ECF 22-1 at 2.

The Court, however, DENIES Plaintiff's request to relate the cases because the undersigned would be forced to recuse herself in *Xilinx*.

**IT IS SO ORDERED.**

Dated: February 13, 2015

  
BETH LABSON FREEMAN  
United States District Judge
