2 NORTHERN DISTRICT OF CALIFORNIA  
3 SAN JOSE DIVISION

4 ASUS COMPUTER INTERNATIONAL, et  
5 al.,

6 Plaintiffs,

7 v.

8 INTERDIGITAL, INC., et al.,

9 Defendants.

Case No. [15-cv-01716-BLF](#)

**ORDER REGARDING REDACTION OF  
MOTION TO COMPEL  
ARBITRATION, MOTION FOR  
PRELIMINARY INJUNCTION, AND  
MOTION TO STAY DISCOVERY  
ORDER**

[Re: ECF 90]

11  
12 The Court has filed its order on Defendants' motion to compel arbitration, Plaintiffs'  
13 motion for preliminary injunction, and Defendants' motion to stay discovery under seal because it  
14 contains information that the Court previously allowed to be filed under seal due to their highly  
15 confidential and business sensitive nature. *See e.g.*, ECF No. 39. This order will be separately  
16 transmitted to the parties in this case. The order filed under seal contains highlighted portions that  
17 are potentially sealable under the Court's past sealing orders. The parties are ordered to meet and  
18 confer and by no later than September 1, 2015 and submit proposed redactions to the Court's order  
19 (to the extent any further redaction is required), as well as a supporting declaration and proposed  
20 order. The parties are also encouraged to inform the Court if any portion that is already  
21 highlighted does not need to be redacted and are reminded that redactions are to be narrowly  
22 tailored. If no proposed redactions are received by 11:59 p.m. on September 1, 2015, the Court  
23 shall unseal the order in its entirety.

24 **IT IS SO ORDERED.**

25 Dated: August 25, 2015
