**ORDER RE: CASE MANAGEMENT
CONFERENCE**

Re: Dkt. No. 25

19
20 The Court has reviewed the Joint Case Management Conference Statement filed by
21 the parties and is inclined to rule on case management issues as follows: (1) adopt the case
22 schedule proposed by Allstate, because the trial date in November 2016 proposed by
23 defendants will conflict with the Court's criminal duties; (2) deny defendants' request for a
24 temporary stay, for lack of good cause; (3) refer the case to mediation through the Court's
25 ADR unit, to be completed by Feb. 29, 2016; (4) set a deadline of Jan. 8, 2016, for the filing
26 of proposed discovery protective order(s) and stipulated ESI order; and (5) set a further
27 CMC for March 9, 2016, 10:00 a.m., with updated CMC statement due March 2.

28 The Court will vacate the December 16 CMC and issue this as the case schedule

Case No. 15-cv-04209 NC
