UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN JOSE DIVISION

DANIEL LUNA,  
Plaintiff,  
v.  
PHILIP LIMBACHER, and JIM FARNO,  
Consolidated Plaintiffs,  
v.  
MARVELL TECHNOLOGY GROUP LTD,  
et al.,  
Defendants.

Case No. [15-cv-05447-RMW](#)

**ORDER RE SCHEDULING AND CASE  
MANAGEMENT DATES**

Re: Dkt. No. 48

The parties have submitted a proposed stipulation setting scheduling dates and case management conference dates. The court finds the proposed dates too far in the future and, therefor, has not accepted the proposal. The court would sign a stipulation that sets a case management schedule ending with a date in June or July 2016.

Dated: January 7, 2016
