San Francisco Baykeeper v. CSL Operating, LLC

Doc. 5

TO THE COURT:

PLEASE TAKE NOTICE that Plaintiff San Francisco Baykeeper ("Baykeeper") and Defendant CSL Operating, LLC ("CSL") (collectively, the "Parties") have reached a tentative settlement in this action, which was executed by the Parties. As required by 33 U.S.C. section 1365(c)(3) and 40 C.F.R. section 135.5, a copy of the [Proposed] Consent Decree was sent to the U.S. Department of Justice and U.S. Environmental Protection Agency via U.S. Certified Mail on February 23, 2016. Upon expiration of the 45-day review period, the Parties will request that the Court (1) approve and execute the [Proposed] Consent Decree, which provides continuing Court jurisdiction over any disputes which may arise between the Parties under the agreement, and (2) approve and execute an Order dismissing the Complaint with prejudice.

In light of the settlement and 45-day statutory period, the Parties respectfully request that the Court vacate from its calendar the Case Management Conference scheduled for March 17, 2016 and all other deadlines included in the Order Setting Initial Case Management Conference and ADR Deadlines, filed on December 10, 2015.

WHEREFORE, Baykeeper respectfully requests that the Court approve and enter the [Proposed] Order below.
