**UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN JOSE DIVISION**

AN PHAN,  
Plaintiff,  
v.  
AGODA COMPANY PTE. LTD.,  
Defendant.

Case No. [16-cv-07243-BLF](#)

**ORDER GRANTING PLAINTIFF'S  
ADMINISTRATIVE MOTION TO  
CONTINUE CLASS-CERTIFICATION  
EXPERT-WITNESS DESIGNATION  
DEADLINES; GRANTING  
DEFENDANT'S ADMINISTRATIVE  
MOTION TO CONTINUE CLASS-  
CERTIFICATION BRIEFING AND  
HEARING DEADLINES**

[Re: ECF 53, 57]

On September 21, 2018, Plaintiff filed an administrative motion to extend the time to designate class-certification expert witnesses so that Plaintiff has enough time to complete non-expert discovery. *See* ECF 53. On September 25, 2018, Defendant filed an opposition to Plaintiff's motion in which it agreed to Plaintiff's request, and also requested that the class-certification briefing and hearing deadlines be continued commensurate with the expert witness designation deadline extension. *See* ECF 57. Defendant argues that extending only the expert deadlines will force Defendant to complete a large volume of work over the winter holidays, between December 13, 2018 and January 10, 2019. *See id.* The Court construes Defendant's opposition to be an administrative motion seeking additional relief. Plaintiff did not oppose this motion but did discuss in its motion that it believes extension of the other deadlines would be unnecessary. *See* ECF 53 at 1.

The Court finds good cause to extend the deadlines for expert witness designation and to extend the class certification hearing date as set forth in the table below, so as to avoid prejudicing Defendant. The parties are directed to meet and confer and submit a joint stipulation on a briefing

1 schedule by **October 19, 2018**. The final class certification brief must be filed no later than 15  
2 days in advance of the hearing date.
