

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

STRIKE 3 HOLDINGS, LLC,
Plaintiff,

v.

JOHN DOE SUBSCRIBER ASSIGNED IP
ADDRESS 73.162.216.96,
Defendant.

Case No. 22-cv-06324-VKD

**ORDER GRANTING PLAINTIFF'S EX
PARTE MOTION TO FOR LEAVE TO
SERVE SUBPOENA**

Re: Dkt. No. 9

Plaintiff Strike 3 Holdings, LLC ("Strike 3") seeks leave to serve a third-party subpoena on Comcast Cable ("Comcast") prior to a Rule 26(f) conference.

Strike 3 has established that good cause exists for it to serve a third-party subpoena on Comcast, the above-referenced subscriber's internet service provider.¹ *See Gillespie v. Civiletti*, 629 F.2d 637, 642 (9th Cir. 1980); *UMG Recording, Inc. v. Doe*, No. C08-1193 SBA, 2008 WL 4104214, at *4 (N.D. Cal. Sept. 3, 2008). Strike 3 has demonstrated that (1) it can identify the defendant with sufficient specificity such that the Court can determine that the defendant is a real person or entity who could be sued in federal court, (2) it has identified previous steps taken to locate the elusive defendant, (3) its action against the defendant could withstand a motion to dismiss, and (4) there is a reasonable likelihood of being able to identify the defendant through discovery such that service of process would be possible. *See Columbia Ins. Co. v.*

¹ There is a discrepancy in the declaration submitted by Mr. Patrick Paige, who attests that he read Mr. Williamson's declaration. Mr. Paige's declaration, however, predates Mr. Williamson's declaration by several days. *Compare* Dkt. No. 9-1 (Paige Declaration at ECF 22 & ¶ 27) with Dkt. No. 9-1 at ECF 15). As Mr. Williamson's declaration appears to be virtually identical to those submitted in support of other Strike 3 subpoena applications that this Court has granted, this discrepancy does not preclude the relief sought in the present application.

1 *Seescandy.com*, 185 F.R.D. 573, 578-80 (N.D. Cal. 1999). Additionally, Strike 3’s application
2 indicates that Strike 3 has satisfied the registration requirements under 17 U.S.C. § 411(a) for
3 commencing a copyright infringement lawsuit. *Fourth Estate Public Benefit Corp. v. Wall-*
4 *Street.com, LLC*, 139 S. Ct. 881 (2019). Once Strike 3 learns the defendant’s identity, it cannot
5 rely on a bare allegation that a defendant is the registered subscriber of an internet protocol
6 address associated with infringing activity to state a plausible claim for direct or contributory
7 copyright infringement. *Cobbler Nevada, LLC v. Gonzales*, 901 F.3d 1142, 1144 (9th Cir. 2018).
8 However, at this stage of these proceedings, and upon the record presented, Strike 3 properly may
9 serve discovery to ascertain the defendant’s identity. *See generally Glacier Films (USA), Inc. v.*
10 *Turchin*, 896 F.3d 1033, 1036, 1038 (9th Cir. 2018) (observing that the district court’s case
11 management order permitting “limited discovery from an Internet Service Provider to establish a
12 potential infringer’s identity” was “a sensible way to manage its dockets . . .”).

13 Accordingly, the Court grants Strike 3’s application and orders as follows:

14 1. Strike 3 may serve a Rule 45 subpoena on Comcast commanding Comcast to
15 provide Strike 3 with the true name and address of the subscriber to whom Comcast assigned IP
16 address 73.162.216.96. Strike 3 shall attach a copy of this order to any such subpoena.

17 2. Comcast shall serve a copy of the subpoena and a copy of this order on the
18 subscriber within 30 days of the date of service of the subpoena on Comcast. Comcast may serve
19 the subscriber using any reasonable means, including written notice sent to the subscriber’s last
20 known address, transmitted either by first-class mail or via overnight service.

21 3. Strike 3 may only use the information disclosed in response to a Rule 45 subpoena
22 served on Comcast for the purpose of protecting and enforcing Strike 3’s rights as set forth in its
23 complaint.

24 4. Comcast may object to the Rule 45 subpoena, and may also seek a protective order.

25 If Comcast produces information regarding the identity of the subscriber to Strike 3, Strike
