Shahrokh Saadat-Nejad, the defendant for criminal case No. CD200499, filed by the San Diego County District Attorney and criminal case No.M897962 filed by City of San Diego Attorney, and civil case No.GIC878352 filed by "Pacific Law Center" at Superior Court of California, San Diego County, and civil case No.3:2007CV00460 filed by "Pacific Law Center" and "Solomon Ward Seidenwurm and Smith" at United States District Court, Southern District of California, and two cases filed with the Internet Corporation for Assigned Names and Numbers case No.TBA (To Be Announced) and case No.TBA (To Be Announced) by "Pacific Law Center" and "Solomon Ward Seidenwurm and Smith" declare:

1. It is easier to understand the falsehood in all court cases stated on this document than it is to understand the truth.

Multiple court cases with multiple interrogations while in law enforcement custody is all calculated in a time frame where I am overwhelmed by having to respond to multiple court cases all designed in the same timeframe. Multiple cases filed against Shahrokh Saadat-Nejad and/or USHOSTAGE.com by the government and multiple private attorneys will not keep Shahrokh Saadat-Nejad silent.

This declaration and response to all ex parte in all court cases listed on this document is not complete due to the unfair timing of deadlines to file in response and due to not having a fair amount of time to obtain court transcripts and being denied access to documents and evidences, and being denied access to interrogation reports.

2. I am a Muslim and I was born in The Islamic Republic of Iran.

3. I am the owner and operator of <http://www.USHOSTAGE.com>.

4. On September 8, 2006 I Shahrokh Saadat-Nejad, my mother and other family members fired Pacific Law Center for criminal case No.CD200499 and criminal case No.M897962 in which I am the defendant for both cases.

5. On September 18, 2006 Pacific Law Center refused to acknowledge that they were fired on September 8, 2006 and went to court for criminal case No.CD200499 and criminal case No.M897962 and waived my rights to appear in court for both criminal cases. Pacific Law Center got a continuance for both criminal cases, and Pacific Law Center remained as legal counsel on record for both cases against my will.

6. I have heard the audio tape of the court hearings of September 18, 2006 for criminal case No.CD200499 and criminal case No.M897962. I have had three meetings after September 19, 2006 and before February 27, 2007 with Pacific Law Center and Pacific Law Center have acknowledged that they did know that they were fired before September 18, 2006.

7. A lawyers for Pacific Law Center Matthew Spiegel laughs about the human rights violations at one of the three meetings as he tells me that "My secretary told me that we were fired" as he is laughing.

1 8. On March 16, 2007 I had another meeting with Pacific Law Center and
2 Solomon Ward Seidenwurm and Smith at 401 B Street in San Diego and the
3 meeting was recorded. I went to the meeting with a baseball, a baseball
4 glove and a baseball bat. March 14, 2007 in department 75 while court was
5 in session, and in front of judge Richard E.L. Strauss, attorney Edward J.
6 McIntyre attacked me verbally and his body motion physically coming at me
7 with his closed fist looking like it is going to strike me, and as his fist got
8 closer to my face he stuck out his index finger less than two inches away
9 from my face.

10 Judge Richard E.L. Strauss stated on record that there is a court security
11 camera in the court after I had asked the court on record about the attack
12 being captured on camera. If that was me behaving like a animal then I
13 would have been arrested.

14 At the March 16, 2007 meeting Pacific Law Center again acknowledged that
15 they knew that they have violated my civil rights on September 18, 2006 for
16 profit. They admit that it cost minimum \$500 to fire them – just to fire them
17 – nothing else – If a person (client) refuses to see Pacific Law Center while
18 the person (client) are in jail, then Pacific Law Center will waive the rights
19 of the person (client) to appear in court until the person (client) do see them,
20 or else the person stays in jail and court dates just keep on getting continued.
21 This is called holding a person hostage in the United States of America and
22 the San Diego County District Attorney Office and City of San Diego
23 Attorney Office refuse do anything about it.

24 9. Because I am the owner and operator of USHOSTAGE.com Pacific Law
25 Center and their associates and government employees think they can get
26 away with these civil rights crimes against me.

27 10. PACIFIC LAW CENTER HAVE KNOWINGLY, WILLINGLY,
28 VIOLATED MY CIVIL RIGHTS IN SO MANY WAYS THAT IS
RELATED TO TORTURE BY HOLDING ME HOSTAGE IN JAIL FOR
PROFIT, AND THEY ARE COVERING IT UP BY FILING MUTIPLE
LAWSUITS AGAINST ME IN STATE AND FEDERAL COURTS AND
HAVE FILED FOR TWO CASES WITH THE INTERNET
CORPORATION FOR ASSIGNED NAMES AND NUMBERS, ALL
CACULATED TO BE IN THE SAME TIME FRAME AS CRIMINAL
COURT DATES IN ORDER TO RAILROAD ME TO JAIL OR PRISON

1 BY PAYING OFF LAWYERS THAT I HIRE FOR CRIMINAL OR CIVIL
2 IN ORDER TO CEASE DOMAIN NAMES AND TO KEEP ME SILENT.

3 11. GARY C. HARVEY CRIMINAL DEFENSE ATTORNEY AND
4 MARY FRANCES PREVOST CIVIL RIGHTS ATTORNEY WERE
5 BOTH BOUGHT BY PACIFIC LAW CENTER. MARY FRANCES
6 PREVOST I BELIEVE WAS BOUGHT AND PAID FOR BY PACIFIC
7 LAW CENTER BEFORE I HIRED MARY FRANCES PREVOST.

8 12. Pacific Law Center has accused me of extortion by demanding \$500,000,
9 and this needs explaining.

10 13. A letter was sent to Pacific Law Center by Mary Frances Prevost that
11 was meant to demand a settlement for violating my civil rights. See attached
12 exhibit (J).

13 14. Mary Frances Prevost was hired by me in a desperate time and situation,
14 so I believe that Mary Frances Prevost collaborated with Pacific Law Center
15 for profit. The contract I signed with Mary Frances Prevost was nothing but
16 for Mary Frances Prevost to take advantage of another person's misfortune
17 and to cease the domain name pacificlawcenters.com. See attached exhibit
18 (A-1).

19 15. I had no knowledge of what was on the letter until after Mary Frances
20 Prevost mailed it out to Pacific Law Center in an untimely manner which
21 she kept encouraging me to buy more domain names. My demands were not
22 on the letter that Mary Frances Prevost had written. I am still demanding
23 Pacific Law Center to go on record of the civil rights violations that they are
24 covering up and to stop practicing law until they agree to take ethics classes.
25 See attached exhibit (J).

26 16. I was arrested on July 25, 2006 and taken into the Central jail in San
27 Diego, California and booked. After I was fingerprinted and before I was to
28 exchange my street clothes for jail clothes I was interrogated by a high
ranking San Diego County Deputy Sheriff regarding the horrible events of
September 11, 2001, my website USHOSTAGE.com, about my close to
\$10,000 Cash, why I have not become a American Citizen, the events of
what took place on July 25, 2006, medical marijuana, active terrorist group
agents of Mojahedin-e-Khalq, Sipah-e-Sahaba Pakistan, Millat-e-Islamia,
Mossad and even how I felt about Prophet Jesus.

1 17. On July 25, 2006 the government took away large amount of medical
2 marijuana away from me, \$9800 cash away from me, all \$100 bills, and my
3 passport which is from The Islamic Republic of Iran. Since then the
4 government now deny that I was interrogated in Central jail, deny I had an
5 Iranian passport and deny I had \$9800 cash, and they deny that they the San
6 Diego Sheriffs and the San Diego Police had knowledge of
7 <http://www.USHOSTAGE.com>.

8 18. When any person is taken in jail there are log books that are kept about
9 every inmate from the beginning of when a person is taken to jail until that
10 person is released from custody. It is this log book that can prove who
11 interrogated me, where my money and passport went and to whom, and who
12 has it right now and it will show that I was more than cooperative while
13 being interrogated because the arresting San Diego Police Officer wrote
14 down in his police report that I had refused to speak to him regarding
15 ANYTHING that the Officer had asked me, including my name, date of
16 birth, nationality and so on.

17 19. When any person that visits a website, they leave a computer fingerprint.
18 It is called an IP Address.

19 20. I have the IP Address of the computer(s) that were used by the law
20 enforcement to visit USHOSTAGE.com on July 25, 2006 – July 26, 2006
21 from the central jail in downtown San Diego and other suspected addresses
22 that visited in the same time frame:

23 **IP Address: 206.190.90.2 (206-190-25-2.gen.twtelecom.net)**

24 **IP Address: 66.27.52.146 (rrcs-66-27-52-146.west.biz.rr.com)**

25 **IP Address: 66.27.48.94 (rrcs-66-27-48-94.west.biz.rr.com)**

26 **From Israel which is occupied land by Zionist terrorists IP**
27 **Address: 81.199.145.58 (81.199.145.58.ipplanet.com)**

28 21. I have the IP Address of the computer(s) that was used to visit
USHOSTAGE.com on September 12, 2006 from George Bailey Detention
Center and other suspected addresses that visited in the same time frame

1 which was another interrogation that the San Diego Sheriffs did on me and
2 deny again later.

3 **IP Address: 206.190.90.2 (206-190-25-2.gen.twtelecom.net)**

4 **From San Jose, California IP Address: 69.109.117.50 (adsl-69-**
5 **109-117-50.dsl.pltn13.pacbell.net)**

6 **From San Jose, California IP Address: 69.109.174.16**

7 22. On July 25, 2006 Methamphetamine dealers, pimps and people involved
8 with child prostitution, and child pornography were getting ready for the
9 upcoming weekend of "Gay Pride Parade" in San Diego, California.

10 23. I had known about these people for over two years since July 25, 2006
11 and I have complained to law enforcement multiple times including on July
12 25, 2006 before a call was made by a female to 911 Emergency making
13 allegations against me. On July 20, 2006 San Diego Police Officer Dale
14 Flamand I.D. #4385 gave me his cell phone number (619) 723-6295 in order
15 for me to inform him of Meth activity, mostly related to Timothy Kelly
16 whom is known to provide meth to children and adults according to Officer
17 Flamand and me.

18 24. I had reported on Timothy Kelly and his associates in the past as far as
19 the year 2004 to law enforcement which includes Victor W. OU whom is a
20 Deputy District Attorney, Major Narcotics Unit (619) 515-8565 - Maria
21 Silveira whom is District Attorney Criminal Investigator, special operations
22 division (619) 515-8565 - San Diego Police Detective Jim Brown (858)
23 552-1724 and numerous other people in law enforcement local and Federal.

24 25. On July 25, 2006 I called San Diego Police Officer Dale Flamand more
25 than one time, but he would not answer his cell phone and I knew that his
26 phone was not off because each time I called, his cell phone would ring a
27 few times before it went to voice mail. If a cell phone is off, then an
28 incoming call goes directly to voice mail instead of ringing a few times first.
Common sense.

26 26. There are minimum two things that I do to obtain information of ANY
27 meth activity in San Diego, California.

1 [1] I give rewards of \$500, Medical Marijuana, Sport or Concert tickets if
2 the informant knows of person(s) and or location(s) on Meth Labs in San
3 Diego County. If the informant can not call me, the informant can send me
4 information through my websites (<http://www.phawku.com> &
5 <http://www.phawku2.com>).

6 [2] I offer low cost or free service of sweeping rooms or motor homes for
7 any hidden cameras and bugs (<http://www.eyesweep.com>) with my basic but
8 effective equipment. On or around July of 2005 I had stopped offering
9 sweeping for bugs [listening devices] due to the high cost of equipment
10 repair(s).

11 27. Phone records of the phone that was used to call 911 Emergency on July
12 25, 2006 will provide information for my defense which I have a right to.

13 28. Phone records of the phone numbers that called 30 minutes before and
14 72 hours after the phone that was used to call 911 Emergency on July 25,
15 2006 will provide information for my defense.

16 29. Phone records of a meth dealer and a pimp of child prostitution and a
17 dealer of child pornography will provide information for my defense. This
18 persons name is James Dalton (aka: pastor rainbow, father, dad, trader)
19 whom is the owner of <http://www.kindrideshare.net> &
20 <http://www.parkandride.us> with a mailing address of 3089 Clairemont Drive,
21 Box 216, San Diego California 92117 with phone numbers of (619) 847-
22 7750, (619) 602-5945. It was James Dalton that called the female to tell her
23 to call 911 Emergency in order for him and his associates to flee and hide
24 evidences - METH & LAPTOPS.

25 30. The operator of [kindrideshare.net](http://www.kindrideshare.net) and [parkandride.us](http://www.parkandride.us) Aaron Fritz (aka:
26 Chaz, G-D) was at the scene on July 25, 2006 with a runaway minor, which
27 they fled towards railroad tracks close to Mission Bay. James Dalton and
28 Aaron Fritz are and have been known to pimp minors and to take
photographic pictures of minors while conducting sexual acts and provide
this sick service to sick minded people like themselves for profit. See
attached exhibit (A).

31. During the month of December of 2005 I received a tip from a good
source that a San Diego Police Officer has left trails of evidences that could
suggest that the San Diego Police Officer is a client of James Dalton. I

1 believe that the San Diego Police Officer is and has been blackmailed by
2 James Dalton and or an associate of James Dalton that calls himself Edward.
3 Edward is well known to blackmail people for anything. I told the arresting
4 officer this information on July 25, 2006.

5 32. San Diego County Public Defenders Office was assigned to my criminal
6 cases. They not only refused to take down notes, but made racial threats
7 (Mr.Ford) in regards to USHOSTAGE.com and San Jose, California. That's
8 when I was sure that this criminal case involves the past. San Diego County
9 Public Defenders Office had refused to gather any evidence for my defense.
10 San Diego County Public Defenders Office along with many if not all other
11 Public Defenders Office in the United States have this pattern of not
12 defending but demanding the client(s) to take a deal, or the Public Defenders
13 Office will railroad the client(s) to jail.

14 33. Because I own and operate USHOSTAGE.com government employees,
15 and all parties involved in all criminal and civil cases filed against me think
16 that they can scare me of deportation. I asked a few Pacific Law Center
17 attorneys if they can sing the American National Anthem, and not a single
18 one could.

19 **34. USHOSTAGE.com:**

20 35. It is important to note facts that I filed a Lawsuit in the Superior Court of
21 California, County of Santa Clara, in the city of San Jose on June 24, 1998
22 Civil Case No.CV774848 against the Muslim Community Association of the
23 San Francisco Bay Area, Masjid An-Noor, and the Granada Islamic School
24 all located in the city of Santa Clara, California. It was and still is alleged
25 that the Defendants are Recruiting and Funding Terrorist Groups of "Sipah-
26 e-Sahaba Pakistan" whom are Al-Qaeda and Taliban trainers and the U.S.
27 backed "Mujahedin-e-Khalq" / "Mojahedin-e-Khalq" whom are all fake
28 Muslims. A Wahabi is not a Muslim, just like a Zionist is not a Jew.

36. On August 7, 1998 just 44 days after I filed civil case No. CV774848
two United States' embassies in Nairobi, Kenya and in Dar es Salaam,
Tanzania were blown up. The terrorist that plotted the two U.S. embassy
bombings had strong ties with the World Trade Center bombing on February
26, 1993. Also the terrorist that plotted the U.S. embassy bombings trained
September 11, 2001 terrorists.

1 37. His name is Ali Abdul Saoud Mohamed, also known as Ali Mohammed
2 and his picture along with Usama Bin Laden is in criminal case file
3 C9729972 in Santa Clara County, California which was a corrupt case
4 against me to protect the identity of Mojahedin-e-Khalq terrorists whom take
5 orders from the CIA and Israel Zionist terrorists.

6 38. In the 1980's Ali Mohammed was in the U.S. Army part of a very
7 special unit with ties to CIA operations (CIA Agent). During the 1990's
8 ironically, at the time he was training bodyguards for Usama Bin Laden,
9 associating with clerics like Abdel-Rahman, and casing embassies in Africa
10 (like the one in Nairobi, Kenya), he became an FBI informant.

11 39. While Ali Mohammed was a FBI informant (unknown to me), that's
12 when I filed my civil case No.CV774848. Since I have filed the lawsuit the
13 government has threatened me, offered my paying jobs as an informant,
14 accused me of being a terrorist, accused me of working for foreign
15 intelligence, and have even thanked me for being brave.

16 40. Timeline:

17 August 30, 2006 Called Pacific Law Center from jail

18 August 31, 2006 Pacific Law Center became council on record

19 September 8, 2006 Fired Pacific Law Center by phone from jail because of
20 lack of communication and council service. I Decided I will expose Pacific
21 Law Center on the World Wide Web.

22 September 11, 2006 Pacific Law Center refused to acknowledge of being
23 fired and came to jail - I refused to see them

24 September 12, 2006 Interrogated by San Diego Sheriff Deputy(s) about my
25 criminal charges, Terrorism, 9/11 and my website US HOSTAGE .com

26 September 18, 2006 Taken from jail to court - Was not taken into the court
27 room - No information given to me

28 September 19, 2006 Posted Self Bail Cash

1 September 20, 2006 Bought domain names pacificlawcenters.com and
phillipslawcenter.com.

2 September 21, 2006 Went and looked at court file - Discovered Pacific Law
3 Center went to court on September 18, 2006 and waived my rights to appear
4 in court and got a continuance - I did a walk in on court calendar 9/21/06
5 and told Judge Pacific Law Center has committed crimes against me - Took
Pacific Law Center off case

6 November 20, 2006 Pacific Law Center tried to buy me in court

7 December 15, 2006 received a very disturbing phone call regarding
8 pacificlawcenters.com

9 January 4, 2007 Gary C. Harvey became legal counsel on record.

10
11 **January 12, 2007** Pacific Law Center files civil lawsuit against me
12 Shahrokh Saadat-Nejad, USHOSTAGE.com and PacificLawCenters.com.

13 **January 12, 2007** for the first time received call and email from attorney
14 Mary Frances Prevost that she will file a civil rights complaint against
Pacific Law Center. See attached exhibit (B).

15 January 15, 2007 I signed a contract with Mary Frances Prevost.

16
17 January 15 or 16, 2007 received call from Mary Frances Prevost and she
18 informed me that Pacific Law Center has filed a civil complaint against me
19 for buying the domain name pacificlawcenters.com and she encouraged me
20 to buy other domain names related to Pacific Law Center. Mary Frances
21 Prevost told me if I do not get served 60 days after Pacific Law Center has
filed then the case will get thrown out. Pacific Law Center filed complaint
on January 12, 2007 which was the same day that Mary Frances Prevost
called me and sends email of her address to me for the first time.

22
23 January 18, 2007 Gary C. Harvey had me sign a 977 form so Pacific Law
Center could not serve me in court.

24
25 January 22, 2007 I emailed Mary Frances Prevost and asked her if I should
26 change my domain name (pacificlawcenters.com) for legal reasons. Mary
Frances Prevost responded with "No, we are going to negotiate it." See

1 attached exhibit (C). One minute later I get another email from Mary
2 Frances Prevost asking me for a copy of a tape of meetings I had with
Pacific Law Center. See attached exhibit (D).

3 January 23, 2007 I get suspicious of Gary C. Harvey. See attached exhibit
4 (E).

5 January 24, 2007 I send a email to Mary Frances Prevost and fired her. See
6 attached exhibit (F).

7 January 24, 2007 Mary Frances Prevost sends email to me informing me of a
8 very nice settlement coming my way. See attached exhibit (G).

9 January 25, 2007 Mary Frances Prevost sends me email and encouraging me
10 to have her send a demand letter. See attached exhibit (H).

11 January 27, 2007 Mary Frances Prevost sends me email stating my issue is
12 solid and these [Pacific Law Center] dump trucks are killing her business.
See attached exhibit (I).

13 February 1, 2007 Mary Frances Prevost Office sends me an email informing
14 me that a demand letter has been mailed to Pacific Law Center. I did not see
15 the demand letter before it was sent out. See attached exhibit (J).

16 February 7, 2007 Mary Frances Prevost sends email to me encouraging me
17 to post on the World Wide Web about my experience with Pacific Law
Center. See attached exhibit (K).

18
19 February 8, 2007 I receive an email regarding Pacific Law Center. See
20 attached exhibit (L). I have blocked the email address of the sender in
respect.

21 February 8 and 10, 2007 Mary Frances Prevost sends me emails that she is
22 contacting ex-attorneys from Pacific Law Center, and for me to stay silent.
23 See attached exhibit (M).

24 February 15, 2007 Mary Frances Prevost sends me an email encouraging me
25 not to go to court for criminal matter. See attached exhibit (N)

1 February 27, 2007 Mary Frances Prevost sends me an email that got me to
2 think that Mary Frances Prevost has been bought by Pacific Law Center. See
3 attached exhibit (O).

4 February 27, 2007 Judge Richard E.L. Strauss signs a temporary restraining
5 order against me Shahrokh Saadat-Nejad which violates my civil rights off
6 record and with no court reporter present and no recording devices.

7 March 4, 2007 I get more convinced that Mary Frances Prevost has been
8 bought by Pacific Law Center. See attached exhibit (O).

9 March 6, 2007 more proof that Mary Frances Prevost was not only bought
10 but she was bought and paid for before she ever contacted me. See attached
11 exhibit (O).

12 41. I believe that Mary Frances Prevost set me up with "cyber squatting" for
13 Pacific Law Center from the very beginning by encouraging me to buy
14 domain names.

15 42. On September 18, 2006 when Pacific Law Center waived my right to
16 appear in court and then went ahead and represented me after I had fired
17 them, they got a continuance for the case for several days. If I would not
18 have come up with the money to bail out of jail, I would have been still
19 locked up in jail without having the opportunity to tell the judge and/or
20 commissioner that Pacific Law Center was fired on September 8, 2006.
21 Pacific Law Center stated the same fact on tape during one of our meetings,
22 which proves they knew exactly what they were doing on September 18,
23 2006.

24 43. San Diego City Attorney Office was in court on September 18, 2006,
25 and San Diego County District Attorney Office was in court on September
26 18, 2006 for my case, But I was not. It's all on tapes.

27 44. I bought <http://www.phillipslawcenter.com> and
28 <http://www.pacificlawcenters.com> to expose my horrible experience with
Pacific Law Center which Pacific Law Center is a public figure. I counted
on Pacific Law Center because of their marketing tactics that states they
"Pacific Law Center" are better than most if not all attorneys in San Diego,
California. See attached exhibit (P).

1 45. I bought <http://www.solomonwardlawfirm.com> to expose my horrible
2 experience with Pacific Law Center which Solomon Ward Seidenwurm and
3 Smith support and defend regardless of any intentional wrongdoings by
4 Pacific Law Center. Solomon Ward Seidenwurm and Smith have heard the
5 audio tapes of my meetings with Pacific Law Center and the audio tape of
6 court hearing on September 18, 2006 for criminal case No.CD200499 and
7 criminal case No.M897962.

8 46. For civil action case No.GIC878352 there was a temporary restraining
9 order signed by Judge Richard E.L. Strauss on February 27, 2007 which I
10 was not in court for and there was no court reporter present due to Solomon
11 Ward Seidenwurm and Smith of having influence on Judge Richard E.L.
12 Strauss. See attached exhibit (Q).

13 47. The court order that was granted (exhibit Q) is in violation of my civil
14 rights of freedom of speech.

15 48. Item number 2. In the February 27, 2007 (exhibit Q) the signed court
16 order states that I can not use pacificlawcenters.com or any similar website
17 and in item number 3. it states that I can not use the trade name Pacific Law
18 Center in any published communication.

19 49. I am using:

22 http://www.phawku2.com/pacific_law_center_attorney.html

23 and because the words "pacific" "law" and "center" is in the address bar
24 would mean that I am violating this court order according to any person(s)
25 that sees the court order including other Judges.

26 50. Pacific Law Center and Solomon Ward Seidenwurm and Smith have
27 been using this unjust court order in violation of my rights of freedom of
28 speech by providing copies to World Wide Web search engines and website
owners that provide freedom of speech on their website(s).

1 51. Pacific Law Center, Solomon Ward Seidenwurm and Smith, and Judge
2 Richard E.L. Strauss intentionally refuse to make any corrections on the
3 court order unless I provide the paper work, which they all know that I am
4 not a lawyer. This is called intentionally railroading a person to be violated
5 in everyway possible by The United States of America Justice.

6 52. On March 22, 2007 I discovered from the court reporter that was
7 assigned to Department 75 on February 27, 2007 that there was nothing on
8 his record regarding civil case No.GIC878352 which was just one day after
9 the day that Matthew Spiegel from Pacific Law Center and Thomas Slattery
10 from Pacific Law Center and Edward J. McIntyre from Solomon Ward
11 Seidenwurm and Smith filed their declarations in civil case No.GIC878352
12 and it was the same day February 27, 2007 that Judge Richard E.L. Strauss
13 signed the court order which is still violating my civil rights of freedom of
14 speech, which he Judge Richard E.L. Strauss is well aware of and his actions
15 has suggested that he was well aware of my civil rights being violated before
16 he Judge Richard E.L. Strauss signed the court order and I am sure that some
17 kind of drama happened on that day of February 26, 2007 and/or February
18 27, 2006 regarding criminal case No.M897962 and criminal case
19 No.CD200499 because they are all related to the same seed of the problem.

20 53. I was never served for civil case No.GIC878352, I served myself, and
21 the plaintiffs Pacific Law Center and Solomon Ward Seidenwurm and Smith
22 never had intention of serving me. Mary Frances Prevost whom was my civil
23 rights lawyer and Gary C. Harvey whom is/was my paid in cash private
24 attorney have both collaborated with "Pacific Law Center" and "Solomon
25 Ward Seiednwurm and Smith" for me to not to get served. In court on March
26 9, 2007 which was the first time that I had appeared in court regarding civil
27 case No.GIC878352 the plaintiffs for civil case No.GIC878352 told the
28 court that they did not have my telephone number, and they did not know
my email address and they did not know how to contact my mother and
family members. They knew that I had found out about their scams of
deceptions.

54. Taken away from me again by the United States Government, Pacific
Law Center, Solomon Ward Seidenwurm and Smith on July 25, 2006 and
ongoing on today March 24, 2007:

1. Passport (Islamic Republic of Iran)

2. U.S. currency \$9800.00 (\$100 bills)

3. Human rights

4. Justice

5. Civil rights

6. Constitutional rights

7. Rights to speedy trial

8. Rights to evidence and witnesses

55. In civil federal case No.CV00460 the plaintiffs keep emphasizing the website USHOSTAGE.com because in their own fantasy world they think that the U.S. government has no idea of USHOSTAGE.com and they the plaintiff keep trying to influence the judge, which is the main reason that the "over 150 years of combined experience" "Pacific Law Center had to hire "Solomon Ward Seidenwurm and Smith" to represent them because "Solomon Ward Seidenwurm and Smith" does have special ties with Judges in the State of California. On February 27, 2007 Judge Richard E.L. Strauss signed a court order that is violating my civil rights of freedom of speech with out having a hearing, it was all done in private, and there is no record of a hearing or even calling the case on court record. United States of America Justice.

56. Media:

57. Pacific Law Center in California which is owned by Phillips and Associates Law Firm in Arizona admit on court record declaration filed on February 27, 2007 in civil case No.GIC878352 that they proudly as to express their expertise in defense defend child molesters in San Diego, California and they have every right to do so. See attached exhibit (Z).

58. When ANY person(s) that gets charged in San Diego, California with this sort of crime(s) related to harming children the media exposes the case and they the media do extensive follow ups. Right?

59. Wrong.

1 60. I have searched all over the internet news wires from the past and current
2 and I can not find a single news article that contains Pacific Law Center as
3 the legal counsel for the accused of sex crimes against any child.

4 61. Why? Why is there no mention of Pacific Law Center? There must be a
5 motive of why the local media does not mention person(s) that are charged
6 with sex crimes against any child whom the accused is being defended by
7 Pacific Law Center.

8 62. The answer is the \$10,000,000+ that Pacific Law Center spends with the
9 local media in advertisement.

10 63. I believe that Pacific Law Center tells the local media that if they expose
11 their deared client(s) and Pacific Law Center as the legal council for the
12 person(s) of being charged with sex crimes of any kind against any child
13 then they Pacific Law Center will no longer advertise with them.

14 64. Prosecutors:

15 65. Pacific Law Center in San Diego, California which is owned by Phillips
16 and Associates Law Firm in Arizona operates very much like a government
17 office.

18 66. San Diego County Public Defenders Office is a government office.
19 Every person that works for the San Diego County Public Defenders Office
20 gets paid by a government check. We as tax payers pay for that office to
21 operate, but we as tax payers do not have control of how much funding and
22 support the San Diego Public Defenders Office gets. Compared to the
23 funding and support that the San Diego County District Attorneys Office
24 and the City of San Diego Attorneys Office it is insulting to the tax payer.
25 Should the tax payer ever need to be represented by the San Diego County
26 Public Defenders Office, that person will not get a fair defense due to lack of
27 funding.

28 67. Pacific Law Center is private, and they spend over \$10,000,000 a year on
advertising, and Pacific Law Center has over 100 employees that get paid
very well. If you look at the website of PacificLawCenter.com you will see
that they only have 20 attorneys as of March 11, 2007 and some are
supervisors that perhaps have even forgotten what a court room looks like.

1 What do the other 80 employees do at Pacific Law Center? Pacific Law
2 Center needs paralegals, investigators, a marketing department, janitors,
3 delivery personals, limo drivers Etc...

4 68. It is a big overhead that Pacific Law Center has. Just like any business
5 Pacific Law Center wants to save money. Operating Pacific Law Center like
6 the San Diego County Public Defenders Office can save allot of money.

7 69. What does the San Diego County Public Defenders Office do so it can
8 save money, while still representing the tax payer? Make deals with the
9 prosecutor(s). It is always ONLY the prosecutors that offer the deals to the
10 San Diego County Public Defenders Office and to any other defense
11 attorney(s).

12 70. This is where corruption can be suggested. Why would a person hire
13 Pacific Law Center when it can get the same results as if the accused was
14 being represented by the San Diego County Public Defenders Office? Heavy
15 marketing by Pacific Law Center is the reason. Misleading the public that
16 they Pacific Law Center will get you better results from just about any other
17 defense attorney in the State of California as a whole. This is called fraud.

18 71. The San Diego County District Attorneys Office has a fraud
19 investigation unit which I know that they are very good at what they do, and
20 I personally thank them for their efforts of protecting us regardless of race or
21 gender.

22 72. The San Diego County District Attorneys Office has over 1,000
23 employees, and more than 250 of them are attorneys, and more than 100 of
24 them are investigators. Because of better pay, and only because of better pay
25 14 investigators from the San Diego Police Department went to work for the
26 San Diego District Attorneys Office.

27 73. San Diego County government as a whole is and has been having major
28 problems with money due to frauds which we all see on the media. Where
does the San Diego District Attorneys Office get the funds to hire 14
additional investigators when the San Diego Police Department has a
difficult time with funds?

74. When a deal is made on a criminal matter it saves all parties money,
except the defendant. If the defendant is being represented by Pacific Law

Center then there is no refund on a retainer (contract). This is a major hustle that brings in allot of money, and this is called fraud.

75. So why wont the San Diego District Attorneys Office stop this hustle (fraud)? The motive is when Pacific Law Center talks its clients into taking just about all deals offered by the San Diego County District Attorneys Office ALL parties save money except the defendant.

76. If the defendant wants to take his/her criminal case to trial all parties turn their backs on the defendant, that includes Pacific Law Center and the San Diego County Public Defenders Office in a manner that is called being railroaded in jail or prison, and this is called fraud, and violations of so many things that is related to human rights violations.

77. My pending criminal cases are a great example of this and I do not mind taking the bullet for exposing this fraud and violations of civil rights. The prosecutors along with my legal counsel are and have been setting me up for railroading into jail and/or prison by not giving me access to evidences which I have rights to.

78. There are 4 different court cases against me in California all at the same calculated time frame pending against me with corruption in all 4 court cases and two new cases being filed with The Internet Corporation for Assigned Names and Numbers (ICANN) in Marina del Rey, California all to shut me up about civil rights violations and about Terrorists having and using Weapons of Mass Destruction. The background of Solomon Ward Seidenwurm and Smith are all connected to being current and former board members of organizations that support the occupation of Palestine. "Fake Jews" See attached exhibit (R).

79. My rights are being violated over and over again by these lawyers that keep filing cases against me in order to cover up what they Pacific Law Center did to me on September 18, 2006 which is parallel with Gary C. Harvey and the San Diego Public Defenders Office and the prosecutors.

80. There are several websites on the World Wide Web that contain words or names that are registered with the United States and Patent and Trademark Office. See attached exhibit (S).

1 81. "Pacific Law Center", "pacificl原因center.com", "Solomon Ward" and
2 "solomonward.com" are not registered in any way shape or form with the
3 United States Patent and Trademark Office and they are not registered with
4 the Copyright Office of the Library of Congress.

5 82. It is understood that one that does not represent McDonalds or Microsoft
6 can not own the name bigmac.com or Microsoft.com but one can own the
7 name fuckbigmac.ytmnd.com or fuckmicrosoft.com (see attached exhibit 1A)
8 and this is the goal of the plaintiffs is to stop me from putting in the words
9 "pacific", "law", "center", "Solomon", "ward" in any domain address
10 because today's search engines responds to words that are in the address as a
11 whole and the internal of the website which includes the title of the web
12 page.

13 83. I can understand the concerns of "Pacific Law Center" and "Solomon
14 Ward Seidenwurm and Smith" with my domain names of
15 pacificl原因centers.com and solomonwardlawfirm.com, and they both may or
16 may not have a good reason to scream foul play of a domain name but they
17 both have not registered the names as a whole to any copyright office. Are
18 they above the law? Pacific Law Center is a public figure and they must
19 accept criticism and they have every right to question allegations made
20 against them.

21 Solomon Ward Seidenwurm and Smith is not a public figure and they have
22 every right to question allegations made against them. Solomon Ward
23 Seidenwurm and Smith own solomonward.com but that does not give them
24 the right to stop a person owning and operating a domain name
25 solomonwardterrorists.com or solomonwardsandiego.com or
26 solomonwardconstructionlaw.com and so on. Solomonward.com is not and
27 it has never had information or active links to "Solomon Ward Seidenwurm
28 and Smith" main website swssl原因.com and search result for
solomonward.com on google.com search engine gives only one result which
is not solomonward.com or any legal advice related information. See
attached exhibit (2A).

Pacific Law Center waived my rights to appear in court for profit on
September 18, 2006 for criminal case No.CD200499 and criminal case
No.M897962 after Pacific Law Center was fired on September 8, 2006. It is
on court tape and court records. Pacific Law Center is attempting to cover up
the civil rights crimes that they have and are continuing to commit against

1 me, and the San Diego District Attorneys Office refuses to stop Pacific Law
2 Center from violating my civil rights.

3 Any lawyer that violates a persons civil rights knowingly can and will get
4 exposed on the World Wide Web and they can not stop a person's freedom
5 of speech by trying to prevent words, names, or hyphens to be published on
6 any publication, with or without a court order. It is my right to express and
7 my right to write and my right to speak.

8 All and any parties involved in all court cases listed on this document can
9 not point out one thing that is false or misleading stated on the World Wide
10 Web by Shahrokh Saadat-Nejad.

11 84. I want my passport, my \$9800.00 cash, copy of San Diego Sheriffs log
12 book regarding me and pictures of San Diego Sheriff Deputy's that worked
13 in central jail and George Bailey jail so I can identify the Sheriff deputy that
14 interrogated me on July 25, 2006 and/or July 26, 2006 and September 12,
15 2006 for my defense, and copy of all interrogation reports, and phone
16 records of all parties involved with criminal cases filed against me. I have
17 rights to all evidence for my defense.

18 Attached to this document as exhibit (Z) is copies of various court
19 documents filed by parties involved in all cases stated on this document. In
20 exhibit (Z) you can see over and over again that plaintiffs keep emphasizing
21 that Shahrokh Saadat-Nejad owns and operates USHOSTAGE.com, and the
22 plaintiffs seek to stop me from publishing words and names in any
23 publication in the world and these people have the nerve to continue to call
24 themselves lawyers and attorneys.

25 I declare under penalty of perjury under the laws of the State of California
26 that the facts in this declaration are true and correct of my own personal
27 knowledge.

Continuing Abuses by Chaz (Aaron Fritz)

Last updated 5-22-2004

Community Notice !!!

Please be advised that there is an individual named Aaron Fritz (Chaz) who is spreading hate, lies and deceit among the tribes of the Rainbow and may be a danger to young males who may be traveling to and from gatherings. This individual has attempted to hack into the community server on several occasions in an attempt to gain access to email content for solicitation purposes, has posted false information to many forums under assumed aliases to deceive the public, stolen software programs and databases from our community and was forced to leave our group after complaints of pedophilia from several family folks. If you have a link to kindrideshare.net or kindrideshare.com you may want to make appropriate changes to detour his propagation of ill will and predatory efforts to cull young boys from the circle. Please spread the word in all directions that this individual may be at the gatherings this summer!! For more detailed information about Aaron Fritz and his cycle of harassment and abuse please send us an email, thanks, shine. Protect the Children!!!!

Aaron Fritz (Chaz) is a dark complicated male, brown eyes and approx. 28 years of age, 140 pounds and approx. 5' 5" tall. He has been known to wear patch work pants that may or may not have a tail made from patches and tyedye tee shirts. Distinguishing marks are a noticeable scar on his nose and a retainer for his teeth. This individual appears to be very likeable in many respects but caution should be used at all times especially around young males who may have run away from home or traveling to the Rainbow Family Gatherings.

Aaron Fritz (Chaz) has operated several websites that promote underage sexual acts, perversion, and pedophilia and engages in mass email harvesting and sales. Several of these sites have been taken off the internet in the United States although in 2003 he started using offshore hosting accounts and dedicated porn hosting servers.

Hi Mary,

When will you be back?

I'm back.

Pacific Law Center server followed my attorney to his car (Horton Plaza) after court, and the server called my attorney at his house the next night asking about me. Can I write about it on the website?

NO! Stay quiet.

Should I change my domain name for legal reasons or just to distract them?

No, we are going to negotiate it,

I can start another site (PatheticLawCenter.com). They are stalking me on the internet very very well. Most of my postings are beeing blocked.

That's funny, but don;t change anything just yet. Let the sweat a little.

Should I block out their computer so they can not enter my site? (I have their IP numbers)

YES!

Hope to hear from you soon.

I'll call tomorrow.

I'm confused. I am on the way to the hospital to pick up my dog, and I see this very confusing email from you. What's happened? Marisela told me when you came to view the complaint, that you decided you wanted to take on and destroy Pacific Law Center, go the whole way including trial, and that you were very upset.

I realize you are, but what has caused this decision? Is it that I didn't leave my dog to die at home and call you over the past two days? Or perhaps I was in court? You have to understand that different cases get priority when priority is needed for that case. I had every intention of discussing this with you over the weekend, when I could not be interrupted by telephones or other clients.

It is not because of you. I think you and your team are angels. But I am too confused right now. I hired a lawyer 5 weeks ago (Gary) and he has not filed anything for me, but he did take my money. I feel that I been ripped off again. Then I think about the contract I signed with you at \$350 per hour, it freaks me out.

Hi: Yes I will get that out on Monday. But what are you going to do? They have a suit against you, and you have a solid issue against them. What if you get served? Are you going to let it go into default? Will you let them get a judgment against you? I still suggest getting out a demand letter to globally resolve the whole thing.

Re: Shahrokh Saadatnejad

Dear Messrs. Slattery & Arentz:

This letter is a request for a global pre-filing settlement of Mr. Saadatnejad's malpractice case against Pacific Law Center, Thomas Slattery and Matthew Spiegel. As you are aware, Mr. Saadatnejad's constitutional rights were violated when Pacific Law Center appeared on his behalf in court after your firm was fired, and waived his constitutional right to be present in the courtroom as well as waived his speedy trial rights without his permission.

As you are aware, Mr. Saadatnejad has been broadcasting this very clear malpractice across the internet via his own website, as well as posting warnings on numerous other message boards. He intends to continue doing so.

Ultimately, a junior attorney in your office, Matthew Spiegel, filed a complaint for injunctive relief and damages in the Superior Court identifying how Mr. Saadatnejad's actions have cost Pacific Law Center clients.

As you know, or should know, Pacific Law Center is a public figure pursuant to the New York Times versus Sullivan rule and, as such, even if an injunction were granted by Judge Strauss, Mr. Saadatnejad may still proceed for the rest of his life to post his very valid complaints warning other citizens to beware of Pacific Law Center. In any event, I do not believe an injunction would be granted. And certainly any loss claimed by Pacific Law Center is as a result of the malpractice of Pacific Law Center. Mr. Saadatnejad simply made that malpractice very public.

However, in an attempt to globally settle Mr. Saadatnejad's Complaint for Malpractice prior to filing, I suggest the following:

Pacific Law Center, P.C. pay Mr. Saadatnejad \$500,000 in damages. In return, Mr. Sadatnejad will sign over all domain names in his possession related to or referring to Pacific Law Center. Mr. Sadatnejad will cease and desist, and will sign the appropriate documents to that effect, from further posting the story of Pacific Law Center's malpractice on any site on the internet, or broadcasting in any way or through any medium and comments pertaining or relating to his association with Pacific Law Center. Pacific Law Center will dismiss its complaint for injunctive relief and damages with prejudice.

This offer remains outstanding until 5 p.m. on Thursday, February 15, 2007. Thereafter, if our global settlement rejected, I will file a Complaint for malpractice against Pacific Law Center, Thomas Slattery and Matthew Spiegel, and immediately schedule depositions. The lawsuit, I suspect, will become a very public matter.

I look forward to your speedy reply.

Sincerely,

But yeah, John A. Schill does not, i repeat does not have a lisenche to practice in CA. He has tried 3 times to pass the Bar Exam and has failed. Also the last time was aroud 8/2006. Its scary because he is one of the persons that runs PLC.

Hi Mary,

I got a tip from a person regarding a Mr. John A. Schill whom works at
PLC (High Rank).

Mr. Schill does not have a license to practice in California. He has
failed his California Bar Exam three times, and the last time Mr. Schill
took the Cali Bar Exam and failed was during the month of August of
2006.

If it is true, can I post it on the internet?
Please say yes.....

WAIT. I HAVE A FEW PEOPLE CHECKING INTO SOME THINGS
REGARDING THEM. I THINK YOU MAY BE RIGHT ABOUT SCHILL, BUT
PLEASE LAY LOW JUST FOR A WHILE. I KNOW IT'S HARD, BUT I'M
TRYING TO CONTACT SOME EX-ATTORNEYS FROM THERE TO GET THE
SCOOP. JUST HANG ON FOR A BIT.

Shahrokh Saadat-Nejad

BTW - I gave your business card to a college student from SDSU
today because he was tasered by campus police for riding a
skateboard. I spoke to him, and he does not appear to be violent, but

campus police told the media that he was a threat to them. Its on most of local news network and the paper.

I think the incident is on security camera, but noone has talked about it. The security cameras close to the scene seems to be part of Trolley security. ☹

WASN'T THIS ON THE NEWS? I JUST FILED A SEC. 1983 AGAINST CHULA VISTA COPS LAST WEEK ON BEHALF OF AN 18-YEAR-OLD WHO WAS BEATEN AND DISABLED BY A ROGUE COP.

Hi:

Below is a new posting on Craigslist San Diego for a former PLC employee. Fist, DO NOT spam her. I am contacting her, and a few other former lawyers, to see if they will give me any insider info. Second, how do you get photos up on craigslist? We will talk Monday about the PLC stuff, okay? If you want to come in, let Marisella know. I'm open on Monday after 12 noon.

Also, Marisela and I were looking at the PLC website, and we noticed the "results" page. I suspect they are fabricated. We printed them and put them in a file for future reference. Several of the individuals who allegedly obtained the "results" are no longer there, and we are trying to get a hold of them.

DUI is a difficult crime to understand and it is often difficult to determine whether or not your actions actually were a violation of criminal law. On the 23152(a) charge, there is no clear line people cross to determine whether or not they have had too much alcohol to drive at any particular time. On the 23152(b) charge, some people might be over the limit at the time of the test yet under the limit at the time of driving. As a result, many people who are cited or arrested for "drunk driving" might not be guilty of the DUI crime defined by statute, or there certainly could be "reasonable doubt" as to the facts.

Ansar Al-Sunna linked to Al-Qaeda has claimed responsibility of beheadings and executions of United States soldiers and has released videos of beheadings of Americans through a Zionist owned and controlled website, [iveleak.com](http://www.iveleak.com). = Ansar Al-Sunna and Zapata Engineering are CIA and Mossad = Americans killing American soldiers? = Where is Justice?

The pictures above are of a Jewish Synagogue in Baghdad. If the insurgents are 100% haters of Jews, how do you explain the Jewish Synagogue in Baghdad? Why is no one being taken hostage and murdered from Baghdad? The Insurgents in Iraq are CIA and Mossad. Zionists Satanic Evil Plots Exposed. OPEC Members Accepting U.S. Dollars.

Exhibit (B)

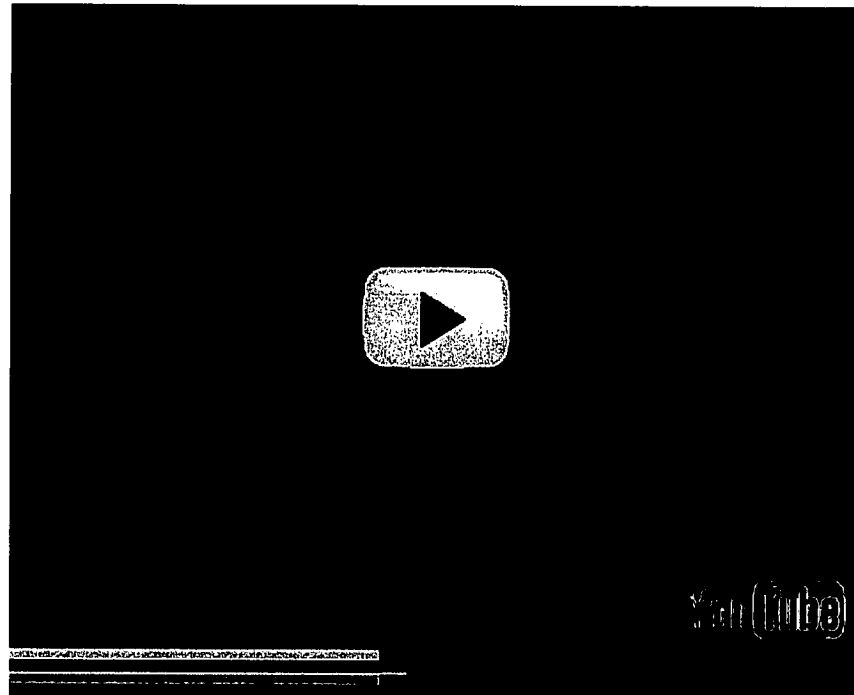

In the Exhibit (B) picture above you can see the same barefoot and blindfolded hostage from Exhibit (A) by an American. Look at the hostage being interrogated in Exhibit (B), see the sleeve of his right arm will you now look at Exhibit (A) again, do you see any blood stains on the sleeve of the hostage? The United States American interrogator "Jack Idema" in Exhibit (B) does not work for or represent the United States Government. In the hell do the United States Soldiers in Exhibit (A) taking the man hostage work for? Bull Crap after the United States Government. Where is the Media? Where is Justice? OPEC Members: Please Stop Accepting

The man in the middle is the interrogator in exhibit (B) and the man on the right is Brent Bennett and Edward Caraballo. They have been charged and sentenced 2 to 10 years for torturing Afghan hostages. Would the Afghanistan court that they work for the United States Government Armed Forces. As much as it hates these three men for torturing people, USHOSTAGE.com recognizes that these three men were tell about who they kidnap, Torture, and kill for. United States Government let their own men down.

ollywood movie, if the hired high paid murderers get caught, the government will not acknowledge the government Contracted the Counter Terrorist Group Task Force Saber 7 to kidnap, Torture, and murder evidence to deny this. Where is the Media?

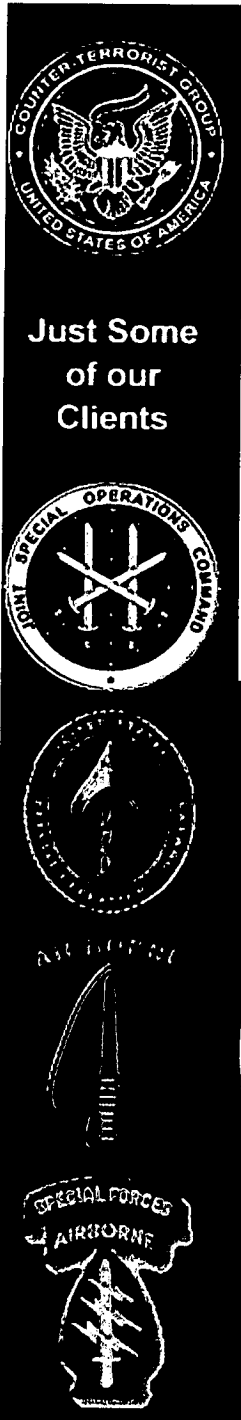

ack Idema and his associates Brent Bennett and Edward Caraballo were arrested on July 5, 2004 by Aid in which they found eight Afghani men (some hanging from their feet) bound and hooded. Jack Idema and Edward Caraballo were arrested only about three months after 60 Minutes II broke the story about torture and prisoner abuse scandal.

This picture was taken in Afghanistan and posted on the website you see on the picture. The man on the left is Brent Bennett, and the man on the lower right is Edward Caraballo from the United States of America Counter Terrorist Group Task Force Saber 7 Operating in Afghanistan since 2001.

These pictures are posted on counterterroristgroup.us website that is owned by the Counter Terrorist (C) [unclear] in the picture? His name is Brent Bennett one of the three men sentenced 2 to 10 years at a Afghan [unclear] [unclear]. Their counterterroristgroup.us website claims that they do work for the United States Armed Forces [unclear] below that their claim has been very credible. This is another example of a secret prison and a Interrogation room being operated by The United States. Pictures (C) and (D) are very disturbing because it is obvious that there are thick blood stains and thick human tissues in the corners. Look at the corner wall, do you see how there are thick blood stains and thick human tissues in the corners where the hostages were probably hanged in that corner, while the CIA and Zionist Mossad mercenaries were murdering the hostages. I can only assume that the CIA and Mossad mercenaries paint the walls often to cover their crimes. Who are these people in these pictures? Where is the Media? Where is Justice? Donald Rumsfeld went back to Iraq for business deal meetings regarding WMD with Saddam Hussein. A picture was taken. As a result of these meetings, Saddam Hussein was able to mass produce:

- 1) Mustard Blister Gas (Cytotoxic and Vesicant chemical warfare agents with the ability to form large blisters on the skin). Mustard agents, including sulfur mustard, are regulated under the 1993 Chemical Weapons Convention. Classes of chemicals are monitored under this Convention, with sulfur and nitrogen mustard grouped as "schedule 1".
- 2) Sarin, also known by its NATO designation of GB (O-Isopropyl methylphosphonofluoridate) is a chemical substance whose sole application is as a nerve agent. As a chemical weapon, it is classified as a weapon of mass destruction by the United Nations according to UN Resolution 687, and its production and stockpiling was outlawed by the Chemical Weapons Convention of 1993.
- 3) Tabun or GA (Ethyl N,N-dimethylphosphoramidocyanidate) is an extremely toxic substance that is one of the most dangerous military weapons. Because it fatally interferes with normal functioning of the mammalian nervous system, it is classified as a nerve agent. As a chemical weapon, it is classified as a weapon of mass destruction by the United Nations according to UN Resolution 687, and its production is strictly controlled and stockpiling outlawed by the Chemical Weapons Convention of 1993. Tabun is the first of the so-called G-series nerve agents (along with GB (sarin), VX (cyclosarin)).
