1 Jeffrey Phillips declares:

2 1. I am an attorney admitted to practice law in Arizona. I am an owner of Pacific  
3 Law Center, a professional law corporation.

4 Pacific Law Center.

5 2. Pacific Law Center is registered with the state bar of California. Pacific Law  
6 Center has more than 20 licensed attorneys at its three San Diego offices—La Jolla,  
7 Escondido and Chula Vista. Overall, Pacific Law Center has more than 100 employees.

8 3. During the last four years in San Diego, Pacific Law Center has spent millions  
9 of dollars in print and other media advertising.

10 4. The sole purpose of that advertising is to associate Pacific Law Center with  
11 high quality legal services for our clients in the three areas in which Pacific Law Center  
12 attorneys primarily practice: personal injury, criminal law and consumer bankruptcy  
13 representation.

14 5. Over the course of time, and because of that advertising, consumers of legal  
15 services identify Pacific Law Center with the professional corporation that is registered with  
16 the State Bar and that provides high quality legal services for clients throughout San Diego  
17 county.

18 6. Pacific Law Center has registered and owns the websites  
19 pacificlawcenter.com, pacificlawcenter.net, pacificlawcenter.org and pacificlawcenter.ws.  
20 Those websites are a major avenue for clients to learn about Pacific Law Center, its attorneys  
21 and the services it provides. They also provide a way for clients to reach Pacific Law Center.

22 7. As a result, the trade name and service mark, "Pacific Law Center" has  
23 achieved a secondary meaning in the minds of the consuming public as a specific source of  
24 high quality legal services for clients in San Diego county.

25 Saadat-Nejad's Conduct.

26 8. Saadat-Nejad has registered at least the websites/domain names  
27  
28

1 "pacificlawncenters.com"<sup>1</sup> and "pacific-law-center.com." In one instance he simply added an  
2 "s" behind Pacific Law Center's name; in the other instance he did not even do that; he  
3 merely threw in hyphens.

4 9. Saadat-Nejad, through a lawyer purporting to represent him, has told Pacific  
5 Law Center that, unless it pays him \$500,000, he will continue to use the confusingly similar  
6 pacificlawncenters.com website and continue to say the things that he has said about Pacific  
7 Law Center and its attorneys and employees. I attach a true and correct copy of her letter as  
8 Exhibit 1.

9 10. He has personally reiterated that demand to me.

10 11. Since Saadat-Nejad began his campaign using pacificlawncenters.com<sup>2</sup> and  
11 "pacific-law-center.com" there is confusion among consumers of legal services whether his  
12 websites are official websites of Pacific Law Center or whether Pacific Law Center endorses  
13 them.

14 12. Pacific Law Center has had clients and potential clients call and inquire  
15 whether Pacific Law Center admits to engaging in the kind of conduct that Saadat-Nejad  
16 accuses it on his pacificlawncenters.com and pacific-law-center.com websites.

17 13. Pacific Law Center has had clients and potential clients tell us that they will  
18 not retain Pacific Law Center us as a result of what they see on pacificlawncenters.com and  
19 what they apparently believe are admissions of Pacific Law Center, the professional  
20 corporation.

21 14. Saadat-Nejad has made clear that he will not stop using the Pacific Law Center  
22 mark and trade name unless this Court enters an injunction that forces him to do so.

23 15. Indeed, Saadat-Nejad has told Pacific Law Center that he intended to use  
24 pacificlawncenters.com to create precisely the kind of confusion in the minds of the  
25 consuming public that has in fact occurred.

26  
27 <sup>1</sup> Emphasis added.

<sup>2</sup> Emphasis added.

1 16. I attach true and correct copies of some of the postings Saadat-Nejad made on  
2 the pacificlawcenters.com website as Exhibit 2.

3 17. In those postings, Saadat-Nejad accused Pacific Law Center of lying to and  
4 cheating its clients. He calls Pacific Law Center attorneys "thieves," "liars," "scam artists,"  
5 "hustlers." He also associates Pacific Law Center with methamphetamine laboratories and  
6 child abuse and child slavery.

7 18. He made it look as if the official website of Pacific Law Center has been  
8 "hacked."

9 19. He claimed that Pacific Law Center "robbed," him although all of his retainer  
10 both unearned and earned was returned in full.

11 **Saadat-Nejad is a Former Client of Pacific Law Center.**

12 20. Saadat-Nejad's mother retained Pacific Law Center to represent him in a  
13 criminal case in San Diego extremely late the night before his trial.

14 21. Matthew Spiegel, a Pacific Law Center attorney, was able to make it to the  
15 courthouse just as Saadat-Nejad's case was about to be sent out for trial. The judge  
16 reluctantly allowed him to substitute for the appointed public defender.

17 22. Mr. Spiegel then had time to go and see Saadat-Nejad, who was in custody.  
18 He explained that Saadat-Nejad's mother had hired Pacific Law Center to represent him and  
19 that Mr. Spiegel had substituted in for the public defender. He also informed Saadat-Nejad  
20 that he continued the trial date and set a date for another status conference. He also had  
21 Saadat-Nejad initial and sign the retainer agreement.

22 23. Approximately two weeks later, Mr. Spiegel received a message from a Pacific  
23 Law Center paralegal that Saadat-Nejad wanted to fire Pacific Law Center. Mr. Spiegel tried  
24 to see Saadat-Nejad at the jail but Saadat-Nejad refused even to speak with him.

25 24. Mr. Spiegel then appeared at the January 18 readiness conference and told the  
26 judge that he thought Pacific Law Center may have been fired but was not sure and did not  
27 want prematurely to ask to be relieved as counsel.

28 25. Saadat-Nejad then posted bail two days later, added himself on to the

1 January 21 calendar, and formally relieved Pacific Law Center as attorney of record.  
 2 26. Pacific Law Center has refunded to Mr. Saadat-Nejad not only unused portions  
 3 of his retainer but, in fact, the whole of that retainer.

4 27. The statements about Pacific Law Center and its attorneys and employees are  
 5 obviously false and are causing Pacific Law Center damage.

6 28. Pacific Law Center has already suffered irreparable harm as a result of Saadat-  
 7 Nejad's conduct and it will continue to suffer irreparable harm unless this Court stops him.

8 29. There is no way accurately to determine the whole of the harm that Mr.  
 9 Saadat-Nejad has done to Pacific Law Center and its reputation and the reputation of its  
 10 attorneys. As a result, money damages are inadequate to repair that harm. In that respect,  
 11 Pacific Law Center has suffered and continues to suffer irreparable harm and will do so until  
 12 this Court stops Mr. Saadat-Nejad.

13 I declare on penalty of perjury under the laws of the State of California that the facts  
 14 set forth in this declaration are true and correct, based on my own personal knowledge, and  
 15 that I executed this declaration in San Diego, California on April 6, 2007 at San Diego,  
 16 California.

Re: Shahrokh Saadatnejad

Dear Messrs. Slattery & Arentz:

This letter is a request for a global pre-filing settlement of Mr. Saadatnejad's malpractice case against Pacific Law Center, Thomas Slattery and Matthew Spiegel. As you are aware, Mr. Saadatnejad's constitutional rights were violated when Pacific Law Center appeared on his behalf in court after your firm was fired, and waived his constitutional right to be present in the courtroom as well as waived his speedy trial rights without his permission.

As you are aware, Mr. Saadatnejad has been broadcasting this very clear malpractice across the internet via his own website, as well as posting warnings on numerous other message boards. He intends to continue doing so.

Ultimately, a junior attorney in your office, Matthew Spiegel, filed a complaint for injunctive relief and damages in the Superior Court identifying how Mr. Saadatnejad's actions have cost Pacific Law Center clients.

As you know, or should know, Pacific Law Center is a public figure pursuant to the New York Times versus Sullivan rule and, as such, even if an injunction were granted by Judge Strauss, Mr. Saadatnejad may still proceed for the rest of his life to post his very valid complaints warning other citizens to beware of Pacific Law Center. In any event, I do not believe an injunction would be granted. And certainly any loss claimed by Pacific Law Center is as a result of the malpractice of Pacific Law Center. Mr. Saadatnejad simply made that malpractice very public.

## Do Not Hire Them Darn Hustlers

Look How Similar The Two Websites Are (\$10,000,000 Packaging)

Phillips and Associates in Arizona which owns Pacific Law Center in California spend over \$10,000,000 combined in advertising (Internet and not Internet) per year.

The Attorney that was assigned to my case (CD200499) passed his bar exam only 10 months before I hired Pacific Law Center. Phillips and Associates in Arizona, and Pacific Law Center in California, spend more on advertising than they do on experienced attorneys.

What Pacific Law Center claim for example that they have over 150 years combined experience maybe correct, but when you got for example five supervisors that are in their 40's, thats 100 years of it right there, then you have for example two other supervisors in their 50's that supervise the five supervisors and thats another 40 to 50 years right there, all together you can see their combined experience of 140 to 150 years.

Trust me, these supervisors rarely see a court room.

These experienced lawyers hire inexperienced lawyers and tell the general public [YOU] that they have over 150 years of experience. Save your money and hire a real experienced Lawyer.

Most of the domain names listed above are related to defective medicine. Phillips and  
Associates and Pacific Law Center buy domain names that are similar to companies  
domain names that they are complaining about in court and on the World Wide Web.

I am doing the same thing as Phillips and Associates and Pacific Law Center, by  
exposing what they did to me on the World Wide Web (pacificlawcenters.com) and  
will probably do so in a court of law as well. It turns out that I am not the only one  
that has been wronged intentionally by Pacific Law Center . If I was to look into  
Phillips and Associates (phillipslaw.com) in Arizona , I bet the same pattern as Pacific  
Law Center will be discovered.

This could be minor, or it could be nothing. I really hope it turns out to be erroneous. Aguirre seems like he's actually trying to root out corruption and having some success. If the allegations are true, I would agree that there is a problem. But if his efforts were to be overshadowed by something that might be less

A woman who works in San Diego City Attorney Mike Aguirre's office has filed a complaint alleging a hostile work environment in which women are treated as inferior to men. Deputy city attorney Amy Lepine said Aguirre gives men better assignments and more autonomy, while the women work in groups with someone watching over them. Lepine also said Aguirre has made frequent comments on the appearance of female attorneys. Lepine filed her complaint with the city's Equal Opportunity

Investigations Office.

Is it too optimistic for me to hope that those who are trying to do away with corruption and scandal don't get caught up in it themselves? Am I just naive?

In the corporate sector this kind of stuff is a standard occurrence. 99% of the time it comes from a disgruntled employee who is either on track to be fired or was passed over for promotion.

I had that sneakin' suspicion about this, Sassy. Still, I also know that it does actually happen too. I just like to believe the best in people and I am often disappointed. I hope this is not another issue that ends up that way.

PUBLIC WARNING: DO NOT HIRE PACIFIC LAW CENTER SAN DIEGO, LA JOLLA

100% FREE WARNING AT: [PacificLawCenters.com](http://PacificLawCenters.com)

Phillips and Associates in Arizona which owns Pacific Law Center in California spend over \$10,000,000 combined in advertising (Internet and not Internet) per year. The Attorney that was assigned to my case (CD200499) passed his bar exam only 10 months before I hired Pacific Law Center. Phillips and Associates in Arizona, and Pacific Law Center in California, spend more on advertising than they do on experienced attorneys. What Pacific Law Center claim for example that they have over 150 years combined experience maybe correct, but when you got for example five supervisors that are in their 40's, that's 100 years of it right there. Trust me, these supervisors rarely see a court room. Save your money and hire a real Attorney!

#### Daddy's Job!

A grade school teacher was asking students what their parents did for a living

"Tim, you be first," she said. "What does your mother do all day?"

Tim, stood up and proudly said, "She's a doctor."

"That's wonderful. How about you, Amie?"

Amie shyly stood up, scuffed her feet and said, "My father is a mailman."

"Thank you, Amie," said the teacher. "What about your father, Billy?"

Billy proudly stood up and announced, "My daddy plays piano in a whorehouse."

The teacher was aghast and promptly changed the subject to geography. Later that day she went to Billy's house and rang the bell. Billy's father answered the door. The teacher explained what his son had said and demanded an explanation.

Billy's father said, "I'm actually an attorney. How can I explain a thing like that to a seven-year-old?"

Down south, Bubba called his attorney and asked, "Is it true they's suin' them cigarette companies fer causin' people to git cancer?"

"Yes, Bubba, sure is true," responded the lawyer.

"And now someone is suin' them fast food restaurants fer makin' them fat an' dloggin' their arteries with all them burgers an' fries, is that true, Mista Lawyer?"

"Sure is, Bubba."

"And that lady sued McDonald's for millions when she was gave that hot coffee that she ordered?"

"Yep."

"And that football player sued that university when he graduated and still couldn't read?"

"That's right," said the lawyer. "But why are you asking?"

"Well, I was thinkin' . . . What I want to know is, kin I sue Budweiser fer all them ugly women I slept with?"

Virgin Lawyers!

Two male lawyers had been stranded on a deserted island together for ten years surrounded by the ocean. Each day they would take turns climbing to the top of a coconut tree to pick one to eat.

One day as one of the attorneys climbed to the top of the coconut tree, he looked out upon the ocean and spied a naked woman floating face up towards the shore.....

He immediately informed the other attorney down below of the naked woman....

The attorney down below bellowed, "You are delirious, climb down before you fall down and kill yourself and I'm left here on this island all alone!"

The attorney climbed down from the tree and cracked the coconut in two and the two attorneys strolled down the beach eating their coconut. At that precise moment the beautiful naked woman washed upon the beach right in front of them.

The first attorney said, "Wow, she is so pretty and I haven't had a woman in 10 years.....should we screw her?"

The second attorney replies, (puzzled) "Screw her out of what?"

Actually said in court, taken down word for word by a court reporter.

Q: Can you describe the individual?

A: He was about medium height and had a beard.

Q: Was this a male, or a female?

Medical Research!

Q:) What happens when you give a Lawyer Viagra?

A:) He gets taller.

Question: Do you know what the difference is between a prostitute and a lawyer?

Answer: A prostitute stops screwing you once you are dead!

Jury!

The District Attorney stared at the jury, unable to believe its verdict.

Bitterly he asked, "What possible excuse could you have for acquitting this man?"

The foreman answered, "Insanity."

The D.A. said, "All twelve of you?"

Police Negligence!

This fellow was fleeing from the police for armed robbery in Michigan.

As a means of evading the police officers he hid in the snow ... for two hours!

He eventually was forced to turn himself in with severe frost bite and pneumonia.

Shortly after his lawyer arrived at the hospital a law suit was filed against the police department for mal-performance.

His argument: If the police had done their job better he would have been caught a lot sooner and would not have

DECLARATION OF JEFFREY PHILLIPS IN  
SUPPORT OF PACIFIC LAW CENTER'S  
SUPPLEMENTAL MEMORANDUM IN  
SUPPORT OF ITS MOTION FOR  
PRELIMINARY INJUNCTION

Date: April 20, 2007  
Time: 3:00 p.m.  
Dept. 75

Complaint Filed: January 12, 2007

I/C Judge: Hon. Richard E.L. Strauss

1 Jeffrey Phillips declares:

2 1. I am an attorney admitted to practice law in Arizona. I am an owner of Pacific  
3 Law Center, a professional law corporation.

4 Pacific Law Center.

5 2. Pacific Law Center is registered with the state bar of California. Pacific Law  
6 Center has more than 20 licensed attorneys at its three San Diego offices—La Jolla,  
7 Escondido and Chula Vista. Overall, Pacific Law Center has more than 100 employees.

8 3. During the last four years in San Diego, Pacific Law Center has spent millions  
9 of dollars in print and other media advertising.

10 4. The sole purpose of that advertising is to associate Pacific Law Center with  
11 high quality legal services for our clients in the three areas in which Pacific Law Center  
12 attorneys primarily practice: personal injury, criminal law and consumer bankruptcy  
13 representation.

14 5. Over the course of time, and because of that advertising, consumers of legal  
15 services identify Pacific Law Center with the professional corporation that is registered with  
16 the State Bar and that provides high quality legal services for clients throughout San Diego  
17 county.

18 6. Pacific Law Center has registered and owns the websites  
19 pacificlawcenter.com, pacificlawcenter.net, pacificlawcenter.org and pacificlawcenter.ws.  
20 Those websites are a major avenue for clients to learn about Pacific Law Center, its attorneys  
21 and the services it provides. They also provide a way for clients to reach Pacific Law Center.

22 7. As a result, the trade name and service mark, "Pacific Law Center" has  
23 achieved a secondary meaning in the minds of the consuming public as a specific source of  
24 high quality legal services for clients in San Diego county.

25 Saadat-Nejad's Conduct.

26 8. Saadat-Nejad has registered at least the websites/domain names  
27  
28

1 "pacificlawncenters.com"<sup>1</sup> and "pacific-law-center.com." In one instance he simply added an  
2 "s" behind Pacific Law Center's name; in the other instance he did not even do that; he  
3 merely threw in hyphens.

4 9. Saadat-Nejad, through a lawyer purporting to represent him, has told Pacific  
5 Law Center that, unless it pays him \$500,000, he will continue to use the confusingly similar  
6 pacificlawncenters.com website and continue to say the things that he has said about Pacific  
7 Law Center and its attorneys and employees. I attach a true and correct copy of her letter as  
8 Exhibit 1.

9 10. He has personally reiterated that demand to me.

10 11. Since Saadat-Nejad began his campaign using pacificlawncenters.com<sup>2</sup> and  
11 "pacific-law-center.com" there is confusion among consumers of legal services whether his  
12 websites are official websites of Pacific Law Center or whether Pacific Law Center endorses  
13 them.

14 12. Pacific Law Center has had clients and potential clients call and inquire  
15 whether Pacific Law Center admits to engaging in the kind of conduct that Saadat-Nejad  
16 accuses it on his pacificlawncenters.com and pacific-law-center.com websites.

17 13. Pacific Law Center has had clients and potential clients tell us that they will  
18 not retain Pacific Law Center as a result of what they see on pacificlawncenters.com and  
19 what they apparently believe are admissions of Pacific Law Center, the professional  
20 corporation.

21 14. Saadat-Nejad has made clear that he will not stop using the Pacific Law Center  
22 mark and trade-name unless this Court enters an injunction that forces him to do so.

23 15. Indeed, Saadat-Nejad has told Pacific Law Center that he intended to use  
24 pacificlawncenters.com to create precisely the kind of confusion in the minds of the  
25 consuming public that has in fact occurred.

26  
27 <sup>1</sup> Emphasis added.

<sup>2</sup> Emphasis added.

1 16. I attach true and correct copies of some of the postings Saadat-Nejad made on  
2 the pacificlawcenters.com website as Exhibit 2.

3 17. In those postings, Saadat-Nejad accused Pacific Law Center of lying to and  
4 cheating its clients. He calls Pacific Law Center attorneys "thieves," "liars," "scam artists,"  
5 "hustlers." He also associates Pacific Law Center with methamphetamine laboratories and  
6 child abuse and child slavery.

7 18. He made it look as if the official website of Pacific Law Center has been  
8 "hacked."

9 19. He claimed that Pacific Law Center "robbed," him although all of his retainer  
10 both unearned and earned was returned in full.

11 **Saadat-Nejad is a Former Client of Pacific Law Center.**

12 20. Saadat-Nejad's mother retained Pacific Law Center to represent him in a  
13 criminal case in San Diego extremely late the night before his trial.

14 21. Matthew Spiegel, a Pacific Law Center attorney, was able to make it to the  
15 courthouse just as Saadat-Nejad's case was about to be sent out for trial. The judge  
16 reluctantly allowed him to substitute for the appointed public defender.

17 22. Mr. Spiegel then had time to go and see Saadat-Nejad, who was in custody.  
18 He explained that Saadat-Nejad's mother had hired Pacific Law Center to represent him and  
19 that Mr. Spiegel had substituted in for the public defender. He also informed Saadat-Nejad  
20 that he continued the trial date and set a date for another status conference. He also had  
21 Saadat-Nejad initial and sign the retainer agreement.

22 23. Approximately two weeks later, Mr. Spiegel received a message from a Pacific  
23 Law Center paralegal that Saadat-Nejad wanted to fire Pacific Law Center. Mr. Spiegel tried  
24 to see Saadat-Nejad at the jail but Saadat-Nejad refused even to speak with him.

25 24. Mr. Spiegel then appeared at the January 18 readiness conference and told the  
26 judge that he thought Pacific Law Center may have been fired but was not sure and did not  
27 want prematurely to ask to be relieved as counsel.

28 25. Saadat-Nejad then posted bail two days later, added himself on to the

1 January 21 calendar, and formally relieved Pacific Law Center as attorney of record.  
 2 26. Pacific Law Center has refunded to Mr. Saadat-Nejad not only unused portions  
 3 of his retainer but, in fact, the whole of that retainer.

4 27. The statements about Pacific Law Center and its attorneys and employees are  
 5 obviously false and are causing Pacific Law Center damage.

6 28. Pacific Law Center has already suffered irreparable harm as a result of Saadat-  
 7 Nejad's conduct and it will continue to suffer irreparable harm unless this Court stops him.

8 29. There is no way accurately to determine the whole of the harm that Mr.  
 9 Saadat-Nejad has done to Pacific Law Center and its reputation and the reputation of its  
 10 attorneys. As a result, money damages are inadequate to repair that harm. In that respect,  
 11 Pacific Law Center has suffered and continues to suffer irreparable harm and will do so until  
 12 this Court stops Mr. Saadat-Nejad.

13 I declare on penalty of perjury under the laws of the State of California that the facts  
 14 set forth in this declaration are true and correct, based on my own personal knowledge, and  
 15 that I executed this declaration in San Diego, California on April 6, 2007 at San Diego,  
 16 California.

Re: Shahrokh Saadatnejad

Dear Messrs. Slattery & Arentz:

This letter is a request for a global pre-filing settlement of Mr. Saadatnejad's malpractice case against Pacific Law Center, Thomas Slattery and Matthew Spiegel. As you are aware, Mr. Saadatnejad's constitutional rights were violated when Pacific Law Center appeared on his behalf in court after your firm was fired, and waived his constitutional right to be present in the courtroom as well as waived his speedy trial rights without his permission.

As you are aware, Mr. Saadatnejad has been broadcasting this very clear malpractice across the internet via his own website, as well as posting warnings on numerous other message boards. He intends to continue doing so.

Ultimately, a junior attorney in your office, Matthew Spiegel, filed a complaint for injunctive relief and damages in the Superior Court identifying how Mr. Saadatnejad's actions have cost Pacific Law Center clients.

As you know, or should know, Pacific Law Center is a public figure pursuant to the New York Times versus Sullivan rule and, as such, even if an injunction were granted by Judge Strauss, Mr. Saadatnejad may still proceed for the rest of his life to post his very valid complaints warning other citizens to beware of Pacific Law Center. In any event, I do not believe an injunction would be granted. And certainly any loss claimed by Pacific Law Center is as a result of the malpractice of Pacific Law Center. Mr. Saadatnejad simply made that malpractice very public.

However, in an attempt to globally settle Mr. Saadamejad's Complaint for Malpractice prior to filing, I suggest the following:

Pacific Law Center, P.C. pay Mr. Saadamejad \$500,000 in damages. In return, Mr. Saadamejad will sign over all domain names in his possession related to or referring to Pacific Law Center. Mr. Saadamejad will cease and desist, and will sign the appropriate documents to that effect, from further posting the story of Pacific Law Center's malpractice on any site on the internet, or broadcasting in any way or through any medium and comments pertaining or relating to his association with Pacific Law Center. Pacific Law Center will dismiss its complaint for injunctive relief and damages with prejudice.

This offer remains outstanding until 5 p.m. on Thursday, February 15, 2007. Thereafter, if our global settlement rejected, I will file a Complaint for malpractice against Pacific Law Center, Thomas Slattery and Matthew Spiegel, and immediately schedule depositions. The lawsuit, I suspect, will become a very public matter.

I look forward to your speedy reply.

Sincerely,

Mary Frances Prevost

## Do Not Hire Them Darn Hustlers

Look How Similar The Two Websites Are (\$10,000,000 Packaging)

Phillips and Associates in Arizona which owns Pacific Law Center in California spend over \$10,000,000 combined in advertising (Internet and not Internet) per year.

The Attorney that was assigned to my case (CD200499) passed his bar exam only 10 months before I hired Pacific Law Center. Phillips and Associates in Arizona, and Pacific Law Center in California, spend more on advertising than they do on experienced attorneys.

What Pacific Law Center claim for example that they have over 150 years combined experience maybe correct, but when you got for example five supervisors that are in their 40's, thats 100 years of it right there, then you have for example two other supervisors in their 50's that supervise the five supervisors and thats another 40 to 50 years right there, all together you can see their combined experience of 140 to 150 years.

Trust me, these supervisors rarely see a court room.

These experienced lawyers hire inexperienced lawyers and tell the general public [YOU] that they have over 150 years of experience. Save your money and hire a real experienced Lawyer.

FACT IS: pacificlawcenter.com, phillipslaw.com, fosamax-injury.com,

Most of the domain names listed above are related to defective medicine. Phillips and  
Associates and Pacific Law Center buy domain names that are similar to companies  
domain names that they are complaining about in court and on the World Wide Web.

I am doing the same thing as Phillips and Associates and Pacific Law Center, by  
exposing what they did to me on the World Wide Web (pacificlawcenters.com) and  
will probably do so in a court of law as well. It turns out that I am not the only one  
that has been wronged intentionally by Pacific Law Center . If I was to look into  
Phillips and Associates (phillipslaw.com) in Arizona , I bet the same pattern as Pacific  
Law Center will be discovered.

This could be minor, or it could be nothing. I really hope it turns out to be erroneous. Aguirre seems like he's actually trying to root out corruption and having some success. If the allegations are true, I would agree that there is a problem. But if his efforts were to be overshadowed by something that might be less

A woman who works in San Diego City Attorney Mike Aguirre's office has filed a complaint alleging a hostile work environment in which women are treated as inferior to men. Deputy city attorney Amy Lepine said Aguirre gives men better assignments and more autonomy, while the women work in groups with someone watching over them. Lepine also said Aguirre has made frequent comments on the appearance of female attorneys. Lepine filed her complaint with the city's Equal Opportunity

Investigations Office.

Is it too optimistic for me to hope that those who are trying to do away with corruption and scandal don't get caught up in it themselves? Am I just naive?

In the corporate sector this kind of stuff is a standard occurrence. 99% of the time it comes from a disgruntled employee who is either on track to be fired or was passed over for promotion.

I had that sneakin' suspicion about this, Sassy. Still, I also know that it does actually happen too. I just like to believe the best in people and I am often disappointed. I hope this is not another issue that ends up that way.

PUBLIC WARNING: DO NOT HIRE PACIFIC LAW CENTER SAN DIEGO, LA JOLLA

100% FREE WARNING AT: [PacificLawCenters.com](http://PacificLawCenters.com)

Phillips and Associates in Arizona which owns Pacific Law Center in California spend over \$10,000,000 combined in advertising (Internet and not Internet) per year. The Attorney that was assigned to my case (CD200499) passed his bar exam only 10 months before I hired Pacific Law Center. Phillips and Associates in Arizona, and Pacific Law Center in California, spend more on advertising than they do on experienced attorneys. What Pacific Law Center claim for example that they have over 150 years combined experience maybe correct, but when you got for example five supervisors that are in their 40's, that's 100 years of it right there. Trust me, these supervisors rarely see a court room. Save your money and hire a real Attorney!

January 26, 2007 Pacific Law Center went to my fathers house  
San Diego California and harassed him, and others that were  
there. Short time later Pacific Law Center [ License Plate No.

that Pacific Law Center knows. What lies did Pacific Law Center  
tell the San Diego Police Department for them to go to my

San Diego Police Department is very short on officers and it is  
not fair to say lies about a person(s) in order for the Police to  
show up, No, does Pacific Law Center have a influence on the San

condition, and this kind of harassment with the police may  
justify a civil complaint from my father against Pacific Law

Phillips and Associates in Arizona which owns Pacific Law Center is just one of the things that proves that Phillips and Associates is not a lawyer as a public Law Center. The Public has the right to know Phillips and Associates. The Public has the right to intentional wrong doings by another attorney they must report it to the State Bar. I am not a lawyer, but Ethics and Professionalism is mostly common sense.

Pacific On September 18, 2006 when Pacific Law Center waived my right to appear in court and then went ahead and represented me after I had fired them, they got a continuance for the case for several days. If I would not have come up with the money to bail out of jail, I would have been still locked up in jail without having the opportunity to tell the judge that Pacific Law Center was fired on September 8, 2006.

#### Daddy's Job!

A grade school teacher was asking students what their parents did for a living.

"Tim, you be first," she said. "What does your mother do all day?"

Tim stood up and proudly said, "She's a doctor."

"That's wonderful. How about you, Amie?"

Amie shyly stood up, scuffed her feet and said, "My father is a mailman."

"Thank you, Amie," said the teacher. "What about your father, Billy?"

Billy proudly stood up and announced, "My daddy plays piano in a whorehouse."

The teacher was agnast and promptly changed the subject to geography. Later that day she went to Billy's house and rang the bell. Billy's father answered the door. The teacher explained what his son had said and demanded an explanation.

Billy's father said, "Tim, actually an attorney. How can I explain a thing like that to a seven-year-old?"

Down south, Bubba called his attorney and asked, "Is it true they's suin' them cigarette companies fer causin' people to git cancer?"

"Yes, Bubba, sure is true," responded the lawyer.

"And now somepne is suin' them fast food restaurants fer makin' them fat an' cloggin' their arteries with all them burgers an' fries, is that true, Mista Lawye-?"

"Sure is, Bubba."

"And that lady sued McDonald's for millions when she was gave that hot coffee that she ordered?"

"Yep."

"And that football player sued that university when he graduated and still couldn't read?"

"That's right," said the lawyer. "But why are you asking?"

"Well, I was thinkin' . . . What I want to know is, kin I sue Budweiser fer all them ugly women I slept with?"

Virgin Lawyers!

Two male lawyers had been stranded on a deserted island together for ten years surrounded by the ocean. Each day they would take turns climbing to the top of a coconut tree to pick one to eat.

One day as one of the attorneys climbed to the top of the coconut tree, he looked out upon the ocean and spied a naked woman floating face up towards the shore.....

He immediately informed the other attorney down below of the naked woman....

The attorney down below bellowed, "You are delirious, climb down before you fall down and kill yourself and I'm left here on this island all alone!"

The attorney climbed down from the tree and cracked the coconut in two and the two attorneys strolled down the beach eating their coconut. At that precise moment the beautiful naked woman washed upon the beach right in front of them.

The first attorney said, "Wow, she is so pretty and I haven't had a woman in 10 years.....should we screw her?"

The second attorney replies, (puzzled) "Screw her out of what?"

Actually said in court, taken down word for word by a court reporter.

Q: Can you describe the individual?

A: He was about medium height and had a beard.

Q: Was this a male, or a female?

Medical Research!

Q:) What happens when you give a Lawyer Viagra?

A:) He gets taller.

Question: Do you know what the difference is between a prostitute and a lawyer?

Answer: A prostitute stops screwing you once you are dead!

Jury!

The District Attorney stared at the jury, unable to believe its verdict.

Bitterly he asked, "What possible excuse could you have for acquitting this man?"

The foreman answered, "Insanity."

The D.A. said, "All twelve of you?"

Police Negligence!

This fellow was fleeing from the police for armed robbery in Michigan.

As a means of evading the police officers he hid in the snow ... for two hours!

He eventually was forced to turn himself in with sever frost bite and pneumonia.

Shortly after his lawyer arrived at the hospital a law suit was filed against the police department for mal-performance.

His argument: If the police had done their job better he would have been caught a lot sooner and would not have

Re: Shahrokh Saadatnejad

Dear Messrs. Slattery & Arantz:

This letter is a request for a global pre-filing settlement of Mr. Saadatnejad's malpractice case against Pacific Law Center, Thomas Slattery and Matthew Spiegel. As you are aware, Mr. Saadatnejad's constitutional rights were violated when Pacific Law Center appeared on his behalf in court after your firm was fired, and waived his constitutional right to be present in the courtroom as well as waived his speedy trial rights without his permission.

As you are aware, Mr. Saadatnejad has been broadcasting this very clear malpractice across the internet via his own website, as well as posting warnings on numerous other message boards. He intends to continue doing so.

Ultimately, a junior attorney in your office, Matthew Spiegel, filed a complaint for ~~injunctive relief and damages~~ in the Superior Court identifying how Mr. Saadatnejad's actions have cost Pacific Law Center clients.

As you know, or should know, Pacific Law Center is a public figure pursuant to the New York Times versus Sullivan rule and, as such, even if an injunction were granted by Judge Strauss, Mr. Saadatnejad may still proceed for the rest of his life to post his very valid complaints warning other citizens to beware of Pacific Law Center. In any event, I do not believe an injunction would be granted. And certainly any loss claimed by Pacific Law Center is as a result of the malpractice of Pacific Law Center. Mr. Saadatnejad simply made that malpractice very public.

However, in an attempt to globally settle Mr. Saadamejad's Complaint for Malpractice prior to filing, I suggest the following:

Pacific Law Center, P.C. pay Mr. Saadamejad \$500,000 in damages. In return, Mr. Saadamejad will sign over all domain names in his possession related to or referring to Pacific Law Center. Mr. Saadamejad will cease and desist, and will sign the appropriate documents to that effect, from further posting the story of Pacific Law Center's malpractice on any site on the internet, or broadcasting in any way or through any medium and comments pertaining or relating to his association with Pacific Law Center. Pacific Law Center will dismiss its complaint for injunctive relief and damages with prejudice.

This offer remains outstanding until 5 p.m. on Thursday, February 15, 2007. Thereafter, if our global settlement rejected, I will file a Complaint for malpractice against Pacific Law Center, Thomas Slattery and Matthew Spiegel, and immediately schedule depositions. The lawsuit, I suspect, will become a very public matter.

I look forward to your speedy reply.

Sincerely,

Mary Frances Prevost
