

MINUTES OF THE UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF CALIFORNIA

EGGERS v. CAMPAGNOLO NORTH AMERICA

No. 08CV198-JM(LSP)

HON. LEO S. PAPAS

CT. DEPUTY JENNIFER YAHL

Rptr. _____

Plaintiffs

Attorneys

Defendants

The parties have filed a joint motion seeking to continue the deadline for exchange of expert reports to July 27, 2009. Although good cause exists to warrant a brief continuance of this deadline, the proposed date conflicts with other case management deadlines including the deadline for completion of discovery, deadline for filing motions, and the Pretrial Conference scheduled before the Hon. Jeffrey T. Miller. Thus, the parties' joint motion is DENIED, however, the Court *sua sponte* continues the following case management deadlines:

Initial expert reports shall be exchanged by April 24, 2009.

Supplemental expert reports shall be exchanged by May 8, 2009.

All discovery, including expert discovery, shall be completed by May 29, 2009.
