Civil No. 08-0624 IEG (RBB)

**ORDER GRANTING DEFENDANTS'  
EX PARTE MOTIONS TO  
CONTINUE PRETRIAL DATES**

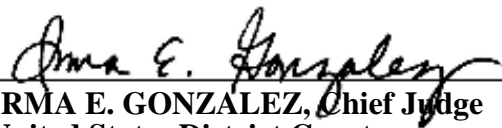

**[Doc. No. 47]**

18 Plaintiff is proceeding in *pro se* and *in forma pauperis* with this civil rights action filed  
19 pursuant to 42 U.S.C. § 1983. On August 31, 2009 the Court granted in part and denied in part  
20 Defendants' motion for summary judgment. (Doc. No. 41.) Plaintiff subsequently failed to  
21 appear telephonically at the mandatory settlement conference on September 22, 2009.  
22 Magistrate Judge Brooks accordingly issued an order to show cause stating that Plaintiff must  
23 submit a declaration explaining his failure to appear no later than October 6, 2009. (Doc. No.  
24 45.) Defendants William Latimer has submitted an *ex parte* application requesting the Court to  
25 continue the pretrial dates in this case for sixty days in light of Plaintiff's failure to appear at the  
26 settlement conference and the resultant uncertainty with respect to Plaintiff's intentions of  
27 pursuing this case. (Doc. No. 47.) Upon consideration of Defendant's request, and good cause  
28

1 appearing, the Court GRANTS the Defendant's application and continues the pretrial conference  
2 from October 13, 2009 to **December 14, 2009**. Magistrate Judge Brooks shall issue an amended  
3 scheduling order incorporating Defendant's requested changes and the new pretrial conference date. The  
4 amended scheduling order shall also adjust filing deadlines relevant to the new pretrial conference date,  
5 as necessary.
