		08Ccv2247-L (BLM)

1	On February 4, 2009, parties to the above captioned matter
2	filed a joint motion requesting that the Court vacate the Early
3	Neutral Evaluation Conference ("ENE") scheduled for February 6, 2009
4	at 1:30 p.m. The parties state that Defendant no longer claims an
5	interest in the subject property. Therefore, they intend to file
6	a joint motion for entry of judgment. Based upon the parties'
7	representations, the Court finds is inappropriate to hold an ENE and
8	hereby <b>GRANTS</b> the joint motion. Accordingly, the ENE is <b>VACATED</b> .
9	IT IS SO ORDERED.
