13 **Plaintiff Alleges:**

14
15 I, Shreepriya Gopalan, the plaintiff have the following complaint against all the
16 Defendants named above:

17
18 **I. Plaintiff claims damages incurred due to Loss of Intellectual Property, Fraud,**
19 **Loss of Income, Loss of Financial Property, Distress, Mental and Physical Distress,**
20 **Civil Rights, Loss of Business Ownership**

- 21
22 1. The Defendants named above do not have any legal authorization or Business
23 License to perform their Business at any location in the United States or
24 internationally.
- 25 2. Most of the Companies/Corporations do not have any Executives or a Board
26 physically present at any time at any location. The Executive names associated
27 with these Businesses are fraudulent since the persons do not exist in reality.
- 28 3. The Names and Pictures that may have appeared for Executives and Employees of
29 these companies (defendants) in the Media are fraudulent and do not exist as well.
- 30 4. I declare that I am the true Business Owner of every one of these Companies
31 named as defendants above. This declaration is because of the following facts:
32

- a. These companies were I Chinged in through a Metaphysical layer created and owned by me.
- b. I did not give any authority to any of these companies to own or operate out of any city, state or country at any time.
- c. The products and services sold by these companies have been invented by my creative thinking. They got I Chinged to be sold in stores.
- d. All Products, Services, Business Solutions, Methodologies, Infrastructure and Organization ideas, Business Methodologies, Product Feature and Capability Creation, Sales, Business Development, Globalization of Businesses, Technologies, Operations, Processes, Outsourcing, Offshore Business Management ideas have been a result of my Creative Brilliance, High Ideals and Ideologies.
- e. Unfortunately, these achievements went unrecognized as my sources of income and livelihood. They have also failed to bring me the necessary fame and fortune associated with it.
- f. Fortunately, the Business Ownership rights and titles are still mine and no person or party other than myself has their name on it.
- g. Unfortunately, I do not have the necessary documents that can prove that I am indeed the Business Owner. The reason for this is a tragedy that must be reckoned with and that must be rectified by all and sundry.

- 5. I, hereby request the Federal Court to sue the defendants for the money and the Business Ownership rights and documents that are rightfully mine.
- 6. I am aware that this money is available at the sources and a lot of it is revenue generated by the businesses themselves. The Business Ownership documents are available at the site of the defendants as well.
- 7. The court may verify the addresses and names of the Defendants from any available Directory to contact them for this purpose. The contact information is also available on the internet, also a product of my creation. Basic contact information is available with the name of the defendants in the list above.

- 1 8. The events of I Ching that have resulted in the creation and existence of diverse
2 industries, businesses and companies in the country as well as in some other
3 countries abroad – Asia have inflicted immense sadness, anxiety, disappointment,
4 emotional and financial stress in my life. I have been diagnosed with depression
5 and anxiety in the past and have been on medication for the same.
- 6 9. Instead of being recognized as the richest persons in the world as the owner of
7 these businesses, I have been left to strive in this world as a Computer Engineer. I
8 have degrees and have undergone the necessary training for the same, having
9 gone through High School and 2 Universities in India and in the United States to
10 obtain a Bachelor's and a Master's Degree in Computer Science. I have worked
11 for 9 years in IT and possess a genuine resume and have only been hired with
12 interviews and in no other special way. None of the others I work with have ever
13 been interviewed. I am currently unemployed and have been since March of this
14 year. I have applied for Unemployment benefits.
- 15 10. I Ching itself was invented by me at a very young age, at about 15 or 16 due to an
16 accidental discovery of the metaphysical layer because of my overworked and
17 curious brain one night. I woke up to new surroundings and to an environment
18 that looked like a layer and hence I termed it the Metaphysical layer since I
19 recognized that events in the layer were taking place by consciously directing
20 thoughts in my mind.
- 21 11. Unconscious thoughts are now being abused and this is very difficult to control,
22 especially since they direct the events in my life. It is tragic and traumatizing to
23 me to be directing events in my life with the help of uncontrollable unconscious
24 thoughts and a subconscious mind instead of just a conscious mind or simply the I
25 Ching Bell or gadget.
- 26 12. I don't know why this otherwise civil and kind world does not want to stop this
27 evil by just giving me the bell or the key in spite of my asking them for it several
28 times so that I, like almost everyone in this world can live free with the power of I
29 Ching.

30
31 **II. Plaintiff claims damages incurred due to Abuse, Civil Harassment, Sexual**
32 **Harassment, Mental and Physical Abuse, Distress, Mental and Physical**

Exhaustion, Stress, Loss in ability to enjoy life, loss of income, strife, anxiety, depression, Humanity, Human Rights

13. I have experienced a lot of trauma and have been tortured by I Ching, not just by the phenomenal events that have transpired but also by the ways of the people who have used it without the rights for usage. I Ching has been abused by these people for the sake of trivial pleasures, sadistic pleasures and torture. It is a tool that is used like Voodoo and BlackMagic by these criminals who must be brought to justice.
14. They have used it to abuse my mind and body and have indulged in remote brain control tactics, thought reading, mind talk, playing with the nerves, tissues and internal organs of the body. They are still indulging in these torture techniques and sleep deprivation techniques as well resulting in acute stress and insomnia.
15. They monitor me in every aspect of my life – my home, my workplace, my bedroom, bathroom, social life, at the mall etc. They talk to me in my head 24/7 sometimes through the night as well. It is unbearable and this has been going on intermittently and now continuously since 2004.
16. The I Ching people in this world have also altered the way I think, the thoughts that I think, my speech, my grammar, the way I walk and my appearance. I am now a 5'5", black eyed, overweight, stubby nosed, brown, Indian Asian IT/Computer Engineer instead of a 5'7" blue eyed, Long, Sharp Nosed, White, Supermodel, a Queen, a Media Star, a Business Tycoon.
17. All of Hollywood and the rest of the Entertainment industry, Media, TV, Radio, Internet, Newspapers etc have been I Chinged by me and hence have my values (as it sounds and seems on TV), variations of my voice, my business acumen, My language English: A lot of the English Language and the Grammar was discovered and studied by me and hence all of this has gone over to World) and my looks. There are atleast 20 women and men in Hollywood and everywhere else who share my original looks with some minimum tweaking. People I work with have shared these looks as well.
18. People from my family, workplace, from my past – school, college, university, ex-employers, co-workers, people I meet on a day to day basis all form this group

1 of people who are otherwise popularly called paranormal beings. These people
2 use the gadget – the I Ching Bell or Over Key to “Go Over” and be real people
3 from being Paranormal Beings or Shadow Objects in a metaphysical layer.

- 4 19. I was put through so much trauma and terror through this layer, that I had to seek
5 medical help for mind reading and mind talk. The doctors only went as far as to
6 diagnose me with Schizophrenia and Bipolar disorder which I am completely
7 offended by for everything that my mind has contributed to science, society and
8 the economy. I was asked to take medications like Prozac and Zyprexa because
9 family, friends, the society, employers, coworkers and doctors refused to even
10 acknowledge the pain and hurt I had gone through for having lost I Ching as my
11 magical tool.
- 12 20. They refused to come out in the open with I Ching. Things have still not changed
13 on that front either. Any mention of I Ching and its description prompts people to
14 be unkind enough to point fingers, mock and call it a mental problem.
- 15 21. I am yet to convince people in this layer or work my mind and thought waves to
16 get them to surrender this to me. They work in it like mad people and don't seem
17 to go away even after I have warned them of consequences like sending them to
18 prison once I have it restored to me.
- 19 22. They have also used this tool to work on my appearance and have changed the
20 way I look completely.
- 21 23. These I Ching abusers have used it to live, work, communicate and socialize.
22 They possess no history, no educational background, no degrees or diplomas, no
23 remuneration to buy vehicles, homes and absolutely no training in communicating
24 or socializing.
- 25 24. They have used the magical powers of I Ching and the metaphysical layer that has
26 bestowed a world of abundance. These powers are captured in a device or a
27 gadget and is being used by them to live as stated above.
- 28 25. It does not require any form of guidance or training to use for the sake of the tasks
29 stated above including the basic necessities like walking, talking, driving,
30 clothing, buying, selling, being civil and even working in large corporations with
31 titles like Managers, Directors, Engineers, Doctors and all other types of
32 personnel. This of course is only because I have had to work in some of these

1 companies and hence it needed some resources to be placed in roles with titles.
2 The other Business workers you see outside in restaurants, courts, offices were
3 put there so I could atleast live under these circumstances.

4 26. It is this Phenomenon, now a device that has produced the world of business and
5 the companies. The owner of this device and the creator of this phenomenon is me
6 – Shreepriya Gopalan and I must have the money, the businesses and the device
7 as soon as the court can get it to me.

8 27. I have complained to Police Headquarters in Chicago, IL and San Diego, CA. I
9 have also called and sent mails complaining about the same to the FBI. Nothing
10 has been done to stop this. I have also written to the district and federal courts in
11 the past for this to end, but in vain.

12 28. I quote from the defendants an amount of 50 billion USD's for all the damages I
13 have incurred – personal, property damage, intellectual property damage, perjury,
14 sexual harassment and mental torture, wasteful trips to the psychiatrist and the
15 pharmacy for everything from sinuses, migraines to mental disorders. I would
16 also like the court to put an end to this torture and to this false world I live in.
