**AND RECONSIDERATION OF**  
**DENIAL OF APPLICATION FOR**

[Docket No. 17]

18 This case comes before the Court on Plaintiffs' *ex parte* application for a preliminary  
19 injunction and reconsideration of the Court's denial of their request for a temporary restraining order.  
20 Defendants oppose the application.

21 Plaintiffs' application is in large part the same as their application for a temporary restraining  
22 order. Plaintiffs have provided additional argument in an attempt to show there is a likelihood of  
23 success on the merits of their claims, but they have not tipped the scale in their favor. Plaintiffs have  
24 also failed to show the existence of any of the requirements for reconsideration of the Court's order

1 denying their application for a temporary restraining order. Accordingly, Plaintiffs' *ex parte*  
2 application for a preliminary injunction and for reconsideration of the Court's previous order is  
3 denied.
