**UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF CALIFORNIA**

ROBIN A. HASSETT,  
  
vs.  
  
MICHAEL J. ASTRUE, Commissioner of  
Social Security,  
  
Defendant.

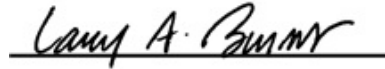

CASE NO. 10cv2092-LAB (BLM)  
**ORDER ADOPTING REPORT  
AND RECOMMENDATION**

Magistrate Judge Major issued a Report and Recommendation in this case recommending that Plaintiff’s motion for summary judgment be granted and Defendant’s motion for summary judgment be denied. The Defendant filed no objection to the R&R, which the Court construes as consent to its adoption. *See Thomas v. Arn*, 474 U.S. 140–50 (1985) (“It does not appear that Congress intended to require district court review of a magistrate’s factual or legal conclusions, under a *de novo* or any other standard, when neither party objects to those findings.”). The Court has reviewed the R&R and finds that it thoroughly and correctly considered the issues presented. It adopts the conclusion that “the case be **REMANDED** for consideration of whether Plaintiff’s impairments prevent her from making an adjustment to any other work.” (R&R at 9.) Plaintiff’s motion for summary  
//  
//

1 judgment is therefore **GRANTED**, and Defendant's motion for summary judgment is  
2 **DENIED**.

3 **IT IS SO ORDERED.**

4 DATED: November 9, 2011

5
