Connie:

Am glad you are on the mend. Your illness was unfortunate but these things do happen. Once we get alignment we will share with you next steps to further develop the supporting material for Nutella's place at the breakfast table.

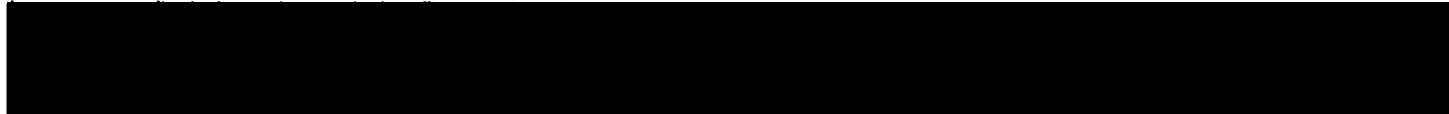

Rgds,

Karl

Hi Karl,

It was a pleasure to finally meet in person. I am so appreciative of your concern and assistance during my challenging week. I am almost fully recovered.

I look forward to seeing you at the New York event.

Again, thank you very much for all you did for me in Italy.

Best regards,
Connie
