Civil No. 11cv205-H (CAB)

13 **ORDER FOLLOWING EARLY**
14 **NEUTRAL EVALUATION**
CONFERENCE

15 On October 19, 2011, the Court held an Early Neutral Evaluation. The case did not settle. Prior to
16 the ENE, the parties voluntarily entered into their own scheduling agreement for purposes of preparing for
17 a motion for class certification. The discovery with regard to the motion is completed, the motion has been
18 filed and is scheduled to be heard November 7, 2011.

19 The parties are directed to contact Chambers within three days of receiving an order on the motion
20 for class certification to schedule a case management conference to set further dates in this case. Response
21 dates that arise out of any outstanding discovery served under the parties' agreement are vacated. No new
22 discovery will be propounded until the motion for class certification is resolved. The Court will address the
23 schedule for service of discovery responses in conjunction with a case management order after the order on
24 the class certification motion issues.
