App Description

The Official Mitchie Brusco App.

My Hanginout app was created so I can hangout with my friends and fans.

As I'm on the road most of the time I don't get as much time as I would like to hang out with friends, family and fans - so we created the next best thing.

Hanginout with Mitchie Brusco

The Hanginout App gives all of you an opportunity to hang with me, ask me questions and get my video answers. I might even have a few tips or tricks up my sleeve for those who hang the most.

As you ask me new questions I get alerted, and will do my best to record a video response directly to you. After I do, you will get notified so you can view my answer along with all the other new responses I've added.

Keep me busy - when I don't skate I just wanna hangout

This is not a community app. It is just you and me.

Thanks,

Mitchie

The advertisement is a vertical banner. At the top left is a square image with the text "GALAXY FRACTIONS" and a starburst graphic. To its right, the "Shutterfly" logo is displayed. Below the logo, the text "Send New Year's cheer" is written in a serif font. This is followed by two smaller images: one of a group of people and another of a young girl smiling. Below these images, the text "Personalized New Year's cards for the photos you love" is centered. At the bottom of the banner is a dark bar with the text "SHOP CARDS >" in white.
