Hangouts [App]

Store: iOS Store | Price: Free | Compatibility: Universal | Publisher: Google, Inc. | Unified App: N/A | App Franchise: N/A

Description

Google+ Hangouts brings one-on-one and group conversations to life with photos, emoji, and video calls for free. Connect with friends across computers, phones and tablets.

- Say more with photos and emoji.
- See when people are together in Hangouts, when they're typing, or whether they've seen your message.
- Turn any conversation into a video call with up to 10 friends.
- Message friends anytime, even if they're not connected right now.
- Use Hangouts on computers, phones, and tablets.

More Hangouts awesomeness:

- Hangouts stay in sync across devices so you can start or continue them anywhere.
- Choose from hundreds of emoji to help you make your point.
- See what you talked about in the past, including shared photos and your video call history.
- Get notifications just once. Once you see an alert, you won't see repeats on your computer.
- View collections of photos shared from each of your Hangouts.
- Snooze notifications at times when you'd prefer to be undisturbed by alerts.

Notes:

- Mobile carrier and ISP charges may apply.
