UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF CALIFORNIA

Textron Financial Corp.,

Plaintiff,

v.

Michael S. Gallegos,

Defendant.

Case No.: 3:15-cv-1678-LAB-AGS
**REPORT AND RECOMMENDATION
FOR SECOND AMENDED
ASSIGNMENT ORDER**

Based on good cause established during the September 21, 2017 hearing and the October 2, 2017 telephonic status conference, this Court recommends modifying the latest version of the assignment order as follows:

SECOND AMENDED ASSIGNMENT ORDER

1. For purposes of this Second Amended Assignment Order, the following definitions apply:

a. **Entity:** An “entity” refers to any business, company, corporation, partnership, trust, or other organization that has a legal identity apart from its members or owners.

b. **Payment:** A “payment” refers to the transfer of any thing of value (including but not limited to money, securities, valuables, and credit), except for a bona fide

1 salary for defendant Michael Gallegos. The term “payment” applies to both *direct*
2 *payments* and *indirect payments*, as further defined below.

3 c. **Personal expenses:** The term “personal expenses” includes expenses
4 for Gallegos himself as well as for his immediate family.

5 d. **Direct payment:** A “*direct payment*” refers to any payment directly to
6 Gallegos himself.

7 e. **Indirect payment:** An “*indirect payment*” refers to any payment for
8 Gallegos’s personal expenses, as well as any payment to an intermediary so that another
9 may ultimately make a payment to Gallegos or for Gallegos’s personal expenses.

10 2. Plaintiff SPE LO Holdings, LLC, is assigned Gallegos’s interests in any
11 payment from any entity listed in the attached Appendix. SPE LO is entitled to any *direct*
12 *payment* these entities make to Gallegos. And SPE LO is entitled to any *direct payment* to
13 Gallegos that these entities would otherwise make, if there were no assignment order.
14 SPE LO is also entitled to any *indirect payment* these entities make. And SPE LO is entitled
15 to any *indirect payment* these entities would otherwise make, if there were no assignment
16 order.

17 3. Gallegos must immediately report to SPE LO the amount and source of any
18 salary or other employment compensation that he is currently receiving. This is a
19 continuing duty, so Gallegos must also immediately report any changes to his salary or
20 compensation, such as a new source or any changed amount.

21 4. Gallegos shall not cause or encourage any entity listed in the attached
22 Appendix to make a *direct payment* or an *indirect payment*, as defined above.

23 5. If any entity listed in the attached Appendix fails to provide SPE LO a
24 payment to which SPE LO is entitled as described above, Gallegos must immediately cause
25 the assignment and transfer of that payment to SPE LO.

26 6. Gallegos must immediately provide each entity listed in the attached
27 Appendix with a copy of this Second Amended Assignment Order and inform each such
28 entity of its obligation to re-direct the payments described above to SPE LO.

1 7. Unless that entity is already listed in the attached Appendix, Gallegos must
2 immediately report to SPE LO the name of any entity that he creates, directs to be created,
3 aids in creating, encourages to be created, joins, or otherwise acquires any interest in. In
4 addition, unless that entity is already listed in the attached Appendix, Gallegos must
5 immediately report to SPE LO the name of any entity that he controls or that he can cause
6 to make any payments.

7 8. Gallegos is warned that if he violates this or any other Court order, the case
8 may be referred to the U.S. Attorney's Office for a criminal contempt prosecution.

9 * * * * *

10 Within five calendar days of the District Judge's adoption of the foregoing proposed
11 Second Amended Assignment Order or issuance of a different Second Amended
12 Assignment Order, Gallegos must file a notarized verification that he has read that Second
13 Amended Assignment Order in its entirety (including any Appendix) and that he agrees to
14 obey it. In that verification, Gallegos must also state that he fully understands the Second
15 Amended Assignment Order (identifying it by ECF Document number), or he must identify
16 any provisions that he does not fully understand. The verification must be signed by
17 Gallegos personally, under penalty of perjury, in the presence of a notary licensed in the
18 state of California. If Gallegos identifies any provisions that he does not fully understand,
19 the Court will schedule an in-person hearing to discuss those identified provisions.

20 Any objection to this report is due October 18, 2017.

22 Dated: October 4, 2017

Hon. Andrew G. Schopler
United States Magistrate Judge
