IN THE UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF CALIFORNIA

TEXTRON FINANCIAL  
CORPORATION,

Plaintiff,

v.

MICHAEL S. GALLEGOS,

Defendant.

Case No. 15-CV-1678-LAB(AGS)

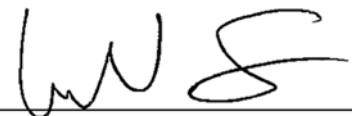

**ORDER DENYING REQUEST  
FOR DEBTOR’S EXAM**

**[DOC. NO. 282]**

The request for a judgment debtor exam is DENIED without prejudice. Plaintiff asserts generally that “significant developments have occurred since” the last debtor exam in February 2017 without a single example of such developments. Such generality is insufficient and does not constitute good cause.

IT IS SO ORDERED.

DATED: December 19, 2017

Hon. William V. Gallo  
United States Magistrate Judge
