8 UNITED STATES DISTRICT COURT  
9 SOUTHERN DISTRICT OF CALIFORNIA  
10

11 BERNARDO LUQUE-VILLANUEVA,  
12 et al.,  
13 Plaintiffs,  
14 v.  
15 COUNTY OF SAN DIEGO, et al.,  
16 Defendants.

Case No.: 16cv2945-GPC (NLS)

**ORDER GRANTING IN PART AND  
DENYING IN PART JOINT  
MOTION FOR EXTENSION OF  
TIME**

[ECF No. 34]

17  
18  
19 Before the Court is the parties' joint motion to enlarge time to file a joint motion  
20 for determination of a discovery dispute and to enlarge fact discovery, expert discovery,  
21 and pre-trial motion dates. ECF No. 34.

22 As to the discovery dispute deadline, the parties represent that Defendants have  
23 produced some documents to Plaintiffs after the Protective Order was issued. ECF No.  
24 34-1 at 4. The parties further represent that they are working together to resolve the  
25 remaining disputes and Defendants are searching for the documents that Plaintiffs  
26 requested. *Id.* at 5-6. The Court finds good cause to **GRANT** the motion to enlarge time  
27 to file a joint motion for discovery dispute from January 25, 2018 to **March 2, 2018**. The  
28 Court cautions the parties that this is the third extension that has been granted (*see* ECF

1 Nos. 29, 31) and any further requests are likely to be denied barring extraordinary  
2 circumstances.

3 As to the request to enlarge fact discovery cutoff, expert discovery dates, and the  
4 pre-trial motions deadline, the Court **DENIES** the request. This is the third request to  
5 enlarge pre-trial dates, the previous two which the Court granted. ECF Nos. 24, 29. The  
6 parties generally state that more time is needed due to the delay in getting the discovery  
7 related to the discovery dispute, but fail to explain why they are unable to meet the  
8 specific deadlines. Thus, the Court finds that the parties have not shown good cause to  
9 extend the deadlines at this time.

10 **IT IS SO ORDERED.**

11 Dated: January 25, 2018
