5 Pegatron Corporation, and Wistron Corporation, Case No. 17-cv-01010-GPC (S.D.
6 Cal.).

7 2. Counsel for the Parties in each Pending Case shall be bound by this Order.

8 **COORDINATION OF WRITTEN DISCOVERY**

9 3. Any Party that serves or has served a written discovery request under Rule 31, 33, 34, or 36
10 on another Party in any of the Pending Cases shall provide a copy of the request to the
11 Contact Attorneys in each Pending Case, except insofar as such requests are served in the SD
12 Cal Litigation and relate solely to claims concerning the Patents-In-Suit in the SD Cal
13 Litigation.

14 4. Any Party that responds or has responded to a written discovery request in any of the Pending
15 Cases shall serve its response and produce any responsive materials to the Contact Attorneys
16 in each Pending Case, except insofar as such requests are served in the SD Cal Litigation and
17 relate solely to claims concerning the Patents-In-Suit in the SD Cal Litigation.

18 5. A Party (the “Issuing Party”) that serves, after issuance of this Order, a subpoena or other
19 request (including any request for international judicial assistance) for the production of
20 documents or other materials on a person or entity not a Party (“Non-Party”) to any Pending
21 Case shall promptly (a) provide a copy of the subpoena or other request to all Contact
22 Attorneys; (b) provide a copy of this Order and the Protective Orders in effect in each of the
23 Pending Cases to the Non-Party; (c) notify the Non-Party that, pursuant to this Order,
24 materials produced in response to such subpoena or other request will be produced in each
25 Pending Case, and (d) request that the Non-Party simultaneously produce materials to the
26 Contact Attorneys in each Pending Case. If, notwithstanding such request, the Non-Party
27 does not produce the materials to the Contact Attorneys in each Pending Case, the issuing
28

1 Party shall, as permitted by law, provide a copy of all materials produced pursuant to the
2 subpoena or other request to the Contact Attorneys in each of the Pending Cases within five
3 (5) calendar days after receipt of the materials from the Non-Party. If a Party has served a
4 Non-Party subpoena or other document request prior to the issuance of this Order, the Issuing
5 Party will provide a copy of the subpoena or other request to all Contact Attorneys, advise the
6 Non-Party that the document production is to be shared across the Pending Cases and provide
7 an opportunity of ten (10) days to object, and shall provide a copy of all materials produced
8 pursuant to the subpoena or other request to the Contact Attorneys in each of the Pending
9 Cases within five (5) calendar days after the later of (1) expiration of such ten (10) day
10 period, or (2) the Party's receipt of materials from the Non-Party. If a Party modifies or
11 extends the time to respond to a Rule 45 document subpoena in writing, it shall promptly
12 inform Contact Attorneys in each Pending Case of that written extension or modification.
13 This paragraph shall not apply to a subpoena or other request served in the SD Cal Litigation
14 that relates solely to claims concerning the Patents-In-Suit in the SD Cal Litigation.

- 15 6. All written responses to discovery requests and subpoenas and materials provided in response
16 to discovery requests and subpoenas in any Pending Case shall be treated as having been
17 obtained through discovery in each Pending Case, except insofar as such responses and
18 materials relate solely to claims concerning the Patents-In-Suit in the SD Cal Litigation. Any
19 such materials shall be clearly designated "SD Cal Litigation Only."

20 **COORDINATION OF DEPOSITIONS**

- 21 7. Pursuant to Fed. R. Civ. P. 30(a)(2)(A), leave is granted to all Parties to conduct in excess of
22 ten (10) depositions per side, provided that nothing in this Order shall prevent the FTC and
23 Qualcomm from entry into an agreement limiting the number of depositions to be noticed or
24 deemed taken in the FTC Litigation, or from seeking a court order imposing such a
25 limitation. For avoidance of doubt, this order supplants the deposition hours limitations set
26 forth in the September 11, 2017 Order Granting Joint Motion for Approval of Stipulation
27 Regarding Scheduling and Discovery Matters in the SD Cal Litigation ("September 11, 2017
28

Order”), except insofar as a deposition relates solely to claims concerning the Patents-In-Suit in the SD Cal Litigation, in which case the party noticing the deposition shall so indicate in such notice and the September 11, 2017 Order will apply.

8. Depositions subpoenaed, noticed, and/or taken in any of the Pending Cases shall be treated as if they were noticed and taken in each Pending Case (to the extent, absent agreement of the parties or leave of court, the deposition is taken during the court-ordered discovery period for the particular Pending Case), except insofar as a deposition relates solely to claims concerning the Patents-in-Suit in the SD Cal Litigation, in which case the party noticing the deposition shall indicate in such notice and/or during such deposition; provided that, absent a Court order or agreement of the FTC and Qualcomm to the contrary, only depositions noticed in the FTC Litigation shall be treated as having been noticed and taken in the FTC Litigation.
9. A Party issuing a deposition notice or subpoena or seeking a request for international judicial assistance in obtaining testimony of any non-Party witness (the “Subpoenaing Party”) shall provide at least five (5) days advance notice to Contact Attorneys in each Pending Case. Other Parties shall be entitled to join the Subpoenaing Party’s notice, subpoena, or request by notice to Contact Attorneys in each Pending Case within such five (5) day period. The Parties also will preserve the right to add topics to any 30(b)(6) or similar subpoena or notice. The Parties shall make reasonable good-faith efforts to coordinate the scheduling of the deposition with each other and with any Non-Party witness, provided, however, that no Party may unreasonably delay a deposition.
10. For Party depositions, prior to issuing a notice for a date certain, the noticing Party shall notify the Contact Attorneys for all Parties of its intent to depose a particular witness, and request available dates for the witness from counsel for the Party whose witness’s deposition is sought. Within seven (7) days of receiving the request, the Party to whom such a request is made shall provide at least one (1) proposed deposition date (i.e., one (1) set of two (2) days for a fourteen (14) hour deposition) and use good faith efforts to provide two (2) proposed deposition dates. For depositions of witnesses requested after entry of this Order, if any Party

1 proposes only one (1) deposition date for a particular witness, it shall not propose any date
2 that would require more than one (1) of its other witnesses to be deposed on the same date,
3 absent agreement of all Parties. If other Parties intend to depose the same witness, they must
4 provide notice to the Contact Attorneys for all Parties of such intent within seven (7) days of
5 being notified that such witness's deposition is being sought.¹ If the Party whose witness is
6 being sought for deposition is informed that multiple Parties intend to depose that witness,
7 that Party shall provide deposition dates with sufficient time for questioning by multiple
8 Parties. The noticing Party or Parties shall use their best efforts to schedule the deposition on
9 a proposed deposition date mutually agreeable to all Parties. The Party whose witness's
10 deposition is sought shall retain its right to formally object (by motion for protective order or
11 otherwise) to the taking of a particular deposition or to the timing or scope of such
12 deposition.

13 11. Counsel in any of the Pending Cases shall be entitled to attend depositions noticed in each
14 Pending Case, so long as they agree to be bound by the Protective Order entered in one of the
15 Pending Cases, except insofar as such depositions relate solely to claims concerning the
16 Patents-In-Suit in the SD Cal Litigation, in which case only counsel for Parties to the SD Cal
17 Litigation may attend. A Party's in-house counsel bound by a protective order may attend
18 depositions of its current or former employees, and if the examining party intends to ask
19 questions about information produced in discovery that has been designated for outside
20 counsel only, the examining party shall indicate that it intends to ask about information so
21 designated, allowing the in-house counsel to excuse himself or herself for that portion of the
22 examination. Non-noticing counsel may ask questions and raise objections at depositions to
23 the extent allowed under the Federal Rules of Civil Procedure. The Parties shall meet and
24 confer in advance of each deposition to allocate deposition time, if necessary, and attempt to
25 coordinate a single Party to make objections. Any Party may avail itself of any objection to

26 ¹ Note, for any deposition notice issued prior to the filing of this Proposed Order, the seven day
27 notice period starts from the filing of this Proposed Order.

1 the form of a question made by any other Party properly in attendance at a deposition without
2 the need to be in attendance or express its joinder in the objection.

3 12. The time limits on depositions established by Fed. R. Civ. P. 30(d)(1) shall apply to all
4 depositions, except that in the event that a deposition of a Non-Party is noticed in both the
5 ND Cal Litigation and the SD Cal Litigation, the Parties agree that, absent good cause, they
6 will not oppose an extension of the time limit for that deposition to up to fourteen (14) hours
7 of on-the-record questioning time. In any deposition of Qualcomm or a current or former
8 Qualcomm employee in his or her individual capacity noticed in both the ND Cal Litigation
9 and the SD Cal Litigation, the deposition time limit shall be extended to up to fourteen (14)
10 hours of on-the-record questioning time in total. In any deposition of Apple or a current or
11 former Apple employee in his or her individual capacity, or in any deposition of a CM or a
12 current or a former CM employee in his or her individual capacity noticed in both the ND Cal
13 Litigation and the SD Cal Litigation, the deposition time limit shall be extended to up to
14 fourteen (14) hours of on-the-record time in total.

15 13. A Party that was provided prior notice of a deposition (other than a deposition pursuant to
16 Fed. R. Civ. P. 30(b)(6)) in any Pending Case and did not make a contemporaneous request to
17 depose the witness may not, absent leave of Court, notice a second deposition of the same
18 witness in a Pending Case.

19 14. Notwithstanding the foregoing, to the extent documents relating to a Party's witness are
20 produced by that Party either within the two week period prior to the commencement of a
21 witness's deposition or after the commencement or completion of such witness's deposition,
22 and such documents are material and non-cumulative of documents previously produced, the
23 parties shall as soon as practicable meet and confer to discuss whether to reschedule the
24 deposition, or re-open the deposition (to the extent it has already occurred). If the parties are
25 unable to agree, they shall jointly present the issue to the Court for resolution. With respect
26 to depositions of Apple or CM witnesses, this Paragraph supersedes the fourth sentence of
27
28

1 Paragraph 8(b) of the Stipulated Order Re: Discovery of Electronically Stored Information
2 and Related Discovery Matters in the FTC Litigation (ECF No. 142).

3 **PLEADINGS AND MOTIONS**

4 15. Any Party that serves or has served a pleading or motion on another Party in any Pending
5 case shall serve an unredacted copy of the pleading or motion on the Contact Attorneys in
6 each Pending Case, subject if necessary to the Protective Orders in those cases. This
7 paragraph shall not apply to pleadings or motions served in the SD Cal Litigation that relate
8 solely to claims concerning the Patents-In-Suit in the SD Cal Litigation.

9 **PROTECTION OF CONFIDENTIAL INFORMATION**

10 16. The Protective Order in effect in each Pending Case is hereby modified to permit the
11 disclosure and production of Protected Material (as defined therein) to the Contact Attorneys
12 in each Pending Case, and the further use and disclosure of such material by each Party
13 hereto in accordance with the Protective Order(s), including any Supplemental Protective
14 Order(s), in each Pending Case to which it is a Party.

15 17. The Protective Order or Supplemental Protective Order(s) in effect in each Pending Case
16 shall govern the handling by the Parties to such Pending Case of protected material produced
17 hereunder, and, unless modified by the designating party, confidentiality designations applied
18 in one Pending Case shall apply in all Pending Cases. To the extent there are conflicts among
19 the Protective Orders or Supplemental Protective Order(s) regarding the individual
20 employees of a Party who may access Protected Material, the Protective Order or
21 Supplemental Protective Order that applied to the original production of a particular
22 document designated as Protected Material shall control.

23 18. Effective upon its entry in all of the Pending Cases, this Order shall supersede in its entirety
24 the Joint Stipulation and Discovery Coordination Order currently in effect in the FTC
25 Litigation (ECF No. 207) and the MDL Litigation (ECF No. 131).

1 IT IS SO STIPULATED, THROUGH COUNSEL OF RECORD.
