**JUDGMENT IN A CIVIL CASE**

**Defendant.**

**Decision by Court.** This action came to trial or hearing before the Court. The issues have been tried or heard and a decision has been rendered.

IT IS HEREBY ORDERED AND ADJUDGED:

The Court enters judgment in Defendant’s favor as to Plaintiff’s three counts in the Second Amended Complaint seeking relief for direct, induced, and contributory infringement of the Patents-in-Suit as well as Defendant’s counterclaims for non-infringement. See ECF No. 108. Given the Court did not address the validity of any of Plaintiff’s Patents-in-Suit, Defendant’s counterclaims raising invalidity are dismissed as moot in light of the Court’s determination that Defendant has not infringed the Patents-in-Suit. Defendant is the prevailing party.
