MINUTE ORDER

ORDER ENTERED BY MAGISTRATE JUDGE KATHLEEN M. TAFOYA

Plaintiff's letter/motion for an emergency court order to prevent the illegal confiscation of legal documents and materials is DENIED. The court declines to interfere in the day-to-day activities of prison administration.

Moreover, to the extent Plaintiff is seeking a preliminary injunction, the motion is denied without prejudice, as Plaintiff has failed to address the requirements for injunctive relief set forth in *Schrier v. Univ. of Colo.*, 427 F.3d 1253, 1258 (10th Cir. 2005).
