named in both their official and individual capacities,

Defendant(s).

MINUTE ORDER

ORDER ENTERED BY MAGISTRATE JUDGE KRISTEN L. MIX

This matter is before the Court on Plaintiffs' Stipulated Motion for Enlargement of Time to File Response to Defendant Rocky Mountain Offender Management Systems, Inc.'s Motion to Designate Non-Parties at Fault [Docket No. 240; Filed February 1, 2008] ("Motion No. 240"), and Plaintiffs' Motion to Further Amend Scheduling Order and to Extend Deadlines Therein [Docket No. 241; Filed February 1, 2008] ("Motion No. 241"). Although not titled as such, Motion No. 241 is stipulated to by the parties.

IT IS HEREBY **ORDERED** that Motion No. 240 is **DENIED**. On January 15, 2008, the Court directed the parties to brief the issue of whether certain nonparties owed a duty of care to Plaintiffs by February 15, 2008 [Docket No. 234]. The purpose of the briefing is to assist the Court in determining Defendant Rocky Mountain Offender Management Systems, Inc.'s Unopposed Motion to Designate Nonparties at Fault [Docket No. 224] ("Defendant's Motion"). The Court recognizes that there is a motion for reconsideration [Docket No. 203] pending before the District Court which could impact Defendant's Motion. However, the Court would like to be in a position to resolve Defendant's Motion, if necessary, when the District Court rules on the motion for reconsideration.

IT IS HEREBY **ORDERED** that Motion No. 241 is **GRANTED**. The Court amends

the deadlines set pursuant to the Scheduling Order [Docket No. 97], and as modified by Docket Nos. 177, 212, 218 & 221, as follows:

- Defendants' Expert Designations/Disclosures March 21, 2008¹
- Lay and Expert Discovery Deadline May 14, 2008
- Dispositive Motions Deadline June 13, 2008

Dated: February 5, 2008

¹ Although the parties propose that the expert designation deadline only be extended as to Defendants Rocky Mountain Offender Management Systems, Inc. and, to a limited extent, Parker Froyd Mental Health Services, P.C. (and Plaintiffs propose that each receive a different extension of time) the Court's interest in efficiency is served by extending the deadline as to all Defendants for the same period of time.
