MINUTE ORDER

ORDER ENTERED BY SENIOR JUDGE ZITA L. WEINSHIENK

This matter is before the Court on the certified account statement and the Prisoner Complaint submitted by Plaintiff Sean Guerrero and filed with the Court on October 12, 2006. In a September 29, 2006, minute order, the Court informed Mr. Guerrero that the instant action was dismissed without prejudice for failure to cure in an order filed on September 20, 2006. Also in the September 29 minute order, the Court directed the clerk of the Court to mail to Mr. Guerrero at his new address a copy of the September 20 dismissal order and the proper forms for initiating a separate civil rights lawsuit, if Mr. Guerrero wishes to pursue his claims.

Despite the fact that Mr. Guerrero included the docket number for the instant action on the certified account statement and the Prisoner Complaint that he submitted to the Court on October 12, 2006, the clerk of the Court will be directed to use these documents to initiate a separate lawsuit so that Mr. Guerrero may pursue his claims. The October 12 documents filed in this action will not be addressed further and, therefore, will be stricken.

Dated: October 19, 2006

Copies of this Minute Order were mailed on October 19, 2006, to the following:
