AGENTS & BROKERS: PRODUCER MAILING LIST REQUEST

Section 1751.6 of the California Insurance Code states, in part, that the Commissioner may prepare a list of all currently licensed producers. Therefore, the California Department of Insurance's Producer Licensing Bureau has prepared various lists of agents, agencies and insurance companies that are generated from its licensing system. This page provides you with links that contain descriptions of the various lists that are available. Those interested in obtaining a list from the CDI's Producer Licensing Bureau should review these pages and complete the appropriate Order Form. It should be noted that requests will be processed only upon receipt of the completed form and a check for the appropriate amount.

List Request

The CDI's Producer Licensing Bureau has many lists available for you to order. These lists include active individuals, agencies, and insurance companies. Listed below are the types of lists that are available:

- Admitted Company
- Adjuster
- Company Appointment List (Includes termination data upon request)
