Lists of Insurance Agents Licensed to Conduct Business in the State of Texas

Agent Lists (**updated by the sixth working day of each month from the TDI database**). .ZIP files are compressed archives that require a pkzip - compatible utility to decompress the files. The download size may be 1/4 to 1/2 of the original file size.

Agent download files are available by license type by individual agent and agency. Each download file includes old TDI license number (ORIG_ST_CD), new TDI license number, (LIC_ID), agent or agency name, license type, license qualification(s), issue date, expiration date, mailing address, and telephone information.

If you prefer to order the information and have it sent to you, please fill out an [Order Form](#). Complete instructions and cost information is available on the Order Form.
