MINUTE ORDER

Order Entered by Judge Philip A. Brimmer

This matter comes before the Court on plaintiff's "Forthwith Motion for Extension of Time to File Opposition/Objection to the Recommendation of United States Magistrate Judge" [Docket No. 157] and plaintiff's "Motion Objecting/Opposing to Recommendation" [Docket No. 158] which I also construe as a request for an extension of time. On February 3, 2009, Plaintiff filed an objection [Docket No. 165] to the magistrate judge's recommendation. Because plaintiff has filed the document for which he seeks the extension of time, his motions for extension of time [Docket Nos. 157 and 158] are DENIED as moot. To the extent plaintiff requests an additional extension of time in his "Response to Defendants on Motion for Extension of Time" [Docket No. 177], the request is DENIED.

Dated March 13, 2009.
