## MEMORANDUM

**TO:** James Falk  
**FROM:** Sgt. Desmond A. Manning  
**DATE:** 09/15/09  
**SUBJECT:** Production 13 and 15

There were no incident reports written on Offender Aranda, Derrick Doc #99396 while he was housed at DRDC. There were no recorded interviews while Offender Aranda was housed at DRDC. Offender Aranda gave me a name and a number to a Detective that worked at Metro Gang Taskforce. I don't remember the name of the Officer but when I called him, he had no information about any of the custody issues given by Offender Aranda. I, Sgt. D. Manning, did interview Offender Aranda upon his arrival at DRDC. Offender Aranda requested to speak to someone regarding custody issues. Offender Aranda told me that he had testified against other Security Threat Group members and wanted to be kept away from these members. I told Offender Aranda to give me a list of the Offenders he had custody issues with. Offender Aranda provided me with a list of names and monikers. From the list, Offender Aranda gave me; I tried to find Doc numbers for the names. Once I found the Doc numbers to go with the names, I showed Offender Aranda photos for positive identification. After Offender Aranda identified the offenders he had issues with, I enter the names and numbers into the Custody Issues Verification screen to be reviewed by Offender Services.
