**MINUTE ORDER**

---

**Entered by Judge Philip A. Brimmer**

This matter is before the Court on defendants' Motion to Present Trial Testimony by Video Conference or in the Alternative by Video Preservation Deposition [Docket No. 73]. The Court has reviewed the pleading and is fully advised in the premises. It is

**ORDERED** that the motion is GRANTED in part and DENIED in part. Defendants shall be permitted, pursuant to Federal Rule of Civil Procedure 43(a), to present Michelle Lyons-Orman's trial testimony live via video conferencing. Defendants' alternative request to take a videotaped trial preservation deposition is moot and is therefore denied.
