**MINUTE ORDER**

---

**Entered by Michael E. Hegarty, United States Magistrate Judge, on July 29, 2009.**

The document filed by the Plaintiff titled, “Additional Information in Support of Plaintiffs’ [sic] Request for Judicial Review Challenging the Attorney General’s Scope of Employment Certification” [[filed June 29, 2009; docket #54](#)], which the Court construes liberally as a motion requesting permission to supplement Plaintiff’s briefing in the form of a “sur-reply” to the United States’ Motion to Substitute Party [[docket #39](#)], is **granted**. The Court will consider the information contained in Plaintiff’s “sur-reply” and Defendants’ response to the pleading for review of the Motion to Substitute.
