

**IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF COLORADO  
LEWIS T. BABCOCK, JUDGE**

Civil Case No. 08-cv-02188-LTB-CBS

SOLOMON BEN-TOV COHEN

Plaintiff,

v.

FRED BUSCH, Agent, U.S. Capitol Police,

Defendant.

---

**ORDER**

---

On Plaintiff's Motion for Entry of Judgment Under Rule 54(b) (Doc 104), and Defendant's Response (Doc 110), the Court concludes that the motion should be denied because the claims on which Plaintiff seeks a Rule 54(b) certification are not final within the meaning of Rule 54(b) and the interests of sound judicial administration favor denial of a Rule 54(b) certification. Accordingly,

Plaintiff's Motion (Doc 104) is DENIED.
